50 Years of Excellence

In your hands is the power to make higher education a reality for deserving students in your community. Together with gifts from other alumni, faculty, staff and friends of MCC, your gift helps to ensure MCC can continue to provide an affordable, quality education that's accessible to all who wish to learn.

2013 Scholarship Recipient:
Christina Rivard (left) and Assistant Professor Sharale Golding

"When I first made the decision to come back to school to pursue my education, I knew that MCC was the right choice for me. I have had wonderful professors, like Assistant Professor Sharale Golding, who care about the quality of the education. The class sizes and learning environment are part of what has made my education successful. I am grateful to the MCC Foundation and donors for investing in my education."
