Initial each block below:

___ I acknowledge that I have appealed the Financial Aid Office’s decision that I have failed to comply with minimum standards set forth for Satisfactory Academic Progress.

___ I understand that my appeal has been approved and is effective with the following academic term: _____________________________.

___ I understand that after the academic term noted above, I will be required to meet the following minimum academic standards in order to receive financial aid:

    ___ I must meet the requirement that I have completed 2/3 (66.66%) of all academic credits attempted or demonstrated progress towards this standard by passing ALL credits attempted during the probationary semester. I understand that failure to comply with either of these requirements will result in immediate suspension of my financial aid eligibility.

    ___ I must meet the minimum cumulative GPA requirement of 1.5 (if I have attempted fewer than 16 credits), or 2.0 (if I have attempted more than 16 credits).

    ___ I may only receive financial aid for attempted credits in my program of study at MCC that do not exceed 150% of the published length of the College’s academic program. The maximum number of credit hours attempted for financial aid eligibility will be 90 credit hours.

I hereby affirm that the information I have provided is true, complete, and correct and is subject to audit by representatives of the State of Connecticut and/or U.S. Department of Education.
