Your 2015–2016 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, your school must confirm certain information reported on your FAFSA.

To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may be corrected.

You must complete and sign this worksheet and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information.

If you have questions, contact your financial aid administrator as soon as possible to avoid delays in receiving your aid.
