# Regional Advisory Council Award

## Outstanding Student Nomination Form

2014-2015

We are at the time of year when we make a recommendation to the Regional Advisory Council so that they can present their service award to an outstanding graduating student. Please consider those students who you know are graduating this year and who you feel have given outstanding service to the College. In order for the Awards Committee to make a valid recommendation to the Advisory Council, I would appreciate it if you would send me the name(s) of student(s) and some specifics about their contribution to Manchester Community College.

We would appreciate your responses by May 8, 2015
