MCC Photo Policy
The Manchester Community College Marketing department sometimes commissions photos and videos of students, faculty and staff, and campus visitors. These images are taken in classrooms and labs, in the library and other study areas, at college events and elsewhere around campus. MCC reserves the right to use these photographs/video clips as a part of its publicity and marketing efforts. Students who enroll at MCC do so with the understanding that these images might include them and might be used in college publications, both printed and electronic, and for publicity.

Notice of Nondiscrimination
Continuing Notice of Nondiscrimination: Manchester Community College does not discriminate on the basis of race; color; religious creed; age; gender; gender identity or expression; national origin; marital status; ancestry; present or past history of intellectual disability, learning disability or physical disability; veteran status; sexual orientation; genetic information or criminal record. The following person has been designated to respond to inquiries regarding the non-discrimination policies: Debra Freund, Chief Diversity Officer (Title IX and Section 504/ADA Coordinator), Manchester Community College, Great Path, MS 9, P.O. Box 1046, Manchester, CT 06045-1046, SSC L277. Manchester Community College is an Affirmative Action/Equal Opportunity Employer and strongly encourages the applications of women, minorities, persons with disabilities, and veterans. Manchester Community College is committed to access and equal opportunity. Should you have any questions regarding disability-related academic adjustments and/or auxiliary aids/services, please contact Disability Services, 860-512-3387 or Advising and Counseling Services, 860-512-3320 at least ten calendar days prior to the start date of the course or program. If a timely request is not submitted, the college cannot assure requested adjustments can be provided. Alternative formats of this material may be provided upon request.

Phlebotomy Technician  [VA Post 9/11 Approved]  [WIOA Approved]  [SNAP-Eligible]

The Phlebotomy Technician or Phlebotomist, collects blood samples for a variety of reasons, including medical testing, blood transfusions and blood donations. Blood is collected primarily through venipuncture, although other methods may be used, including finger-stick, heel-stick or butterfly needles.

This certification course prepares students for a career as a Phlebotomist and meets the requirements to sit for the American Society for Clinical Pathology (ASCP) certification exam. It includes both on campus classroom lectures and clinical rotation hours at Eastern CT Health Network (ECHN) facilities in the Manchester area to be assigned by the instructor.

Course Topics: Basic medical terminology; anatomy and physiology of the cardiovascular system; arterial puncture procedures; blood collection equipment; laboratory procedures; quality assurance; universal precautions and infection control; specimen handling; collection procedures; and complications with an emphasis on pediatrics and the elderly.

Clinical Rotation Hours: To participate in clinical rotation hours, all students must first pass a background check and drug screening through MCC’s provider, Castle Branch (an additional fee of $72) and successfully complete the first 16 hours of specific classroom instruction. Students who fail to meet these requirements will not be allowed to participate in clinical rotation hours and are not eligible to pass the course. Approximately half of the clinical hours will be completed during regular class hours, while the remainder will be completed on weekdays at ECHN laboratories in the Manchester area. Some classes will be held at Manchester Memorial Hospital. All students must have a driver’s license and reliable transportation to class and clinical sites.

Background Check and Drug Screening: Instructions on how to complete these screenings will be mailed to students in a welcome packet after they register for the course. It is advised that students complete these tests as soon as possible since it may take up to two weeks to receive the results. Any criminal charge or pending charge will flag as failure of the screening. Course refunds will NOT be granted due to failure of either the criminal background check or drug screening, unless a written refund request is received on or prior to the last business day before the first class meeting. Do not register for this course if you think you will not pass a background check or drug screening.

Course Completion: Successful course completion requires passing the Castle Branch background check and drug screening, a minimum course grade of 70, a minimum of 100 completed clinical hours and a minimum of 100 successful, unaided blood draws. Students must have a steady hand with good manual dexterity, 20/20 vision (can be corrected with lenses) and accurate depth perception. All students must have reliable transportation to class and clinical sites.

Certification Exam: Upon successful completion of the program, students will be eligible to sit for the American Society for Clinical Pathology (ASCP) certification exam (an additional fee of $135). The course instructor will explain how to register for the exam.

Course Supplies to Purchase: The required textbook is: The Phlebotomy Textbook, 3rd Edition (ISBN 9780803620575) by Strasinger and DiLorenzo, F.A. Davis Co. (approximately $70) available at the MCC Bookstore. Students will also need a MCC photo ID, (purchased at the MCC Cashier’s window for $5 and ID issued at the AST Info Desk). Students are required to wear a white lab coat and slip-resistant, safe shoes/sneakers to the clinical site (not available at the bookstore).

How to Register: Registration for all non-credit allied health courses must be done in person at the Registrar’s Office. Students cannot register over the phone or online for these courses.

Required to Register:
1. A photo ID showing student age of 18 years or older
2. A high school diploma or GED
3. Proof of passing the free MCC Reading Assessment Test or a college transcript to show a passing grade in any college level course. The Testing Center is located in SSC L131A, and is open Monday-Wednesday 8 AM-12 PM and Thursday 8 AM-11 AM.

Welcome Packet: In addition to the Castle Branch screening instructions, the welcome packet will also include a Health Form due to the instructor before the start of clinical hours.

CRN 10886 | Fee $1,460
26 sessions | Tuesdays & Thursdays | 6-9:45 PM | LRC Room B144
2/11-5/7 (weather makeup day 5/12, graduation 5/14)
Additionally, 100 hours of mandatory clinical rotation will be assigned by the instructor weekdays 7 AM-5 PM at ECHN facilities in the area.

Instructors: Kim E.S. Jenack, CPT, NPA/ASCP, Maria Cafro and Pam Chace, P.T.
Emergency Medical Technician (EMT)  VA-Post 9/11 Approved

The EMT is the first responder on the scene in the event of accident or illness. An EMT must assess injuries, administer emergency medical care, extricate trapped individuals, and transport injured or sick people to medical facilities.

This course prepares students to sit for the initial State of CT Certified EMT examination and national board certification, a primary qualification for EMT personnel.

Course Topics: In this course, students will learn how to administer first-aid treatment and life-support care to sick or injured people in a pre-hospital setting; assess the nature and extent of illness or injury to establish and prioritize medical procedures; maintain vehicles, operate medical and communication equipment, replenish first-aid equipment and supplies; observe, record and report to the physician the patient’s condition or injury, the treatment provided and reactions to drugs and treatment; perform emergency diagnostic and treatment procedures such as airway management during ambulance rides; operate equipment such as external defibrillators and bag-valve mask resuscitators in advanced life-support environments.

Ambulance Ride-Along Observation Hours: In addition to the classroom sessions, students will complete an additional 40 hours riding along in an ambulance and observing at St. Francis Hospital Emergency Department. Students must provide their own transportation to the observation assignments and should bring a lunch to the Saturday sessions. A waiver signed by a parent or guardian is required for students under 18 years of age. These hours will be arranged by the instructor.

Course Completion: To successfully pass this course, students must attend at minimum of 150 classroom hours, achieve a course grade of 75% or above, complete a minimum of 40 hours of ambulance/ER Department observation hours, and be recommended by the instructor to sit for the state exam. Also, students will need reliable access to a computer with internet and email in order to complete homework, quizzes and other training. This is an academically rigorous course and attendance is required. More than three absences will result in failure of the course.

Certification Exam: Upon successful completion of the program, students will be eligible to sit for the initial State of CT Certified EMT examination and national board certification (additional fee of $200). The course instructor will explain how to register for the exam.

Course Supplies to Purchase: The required textbook is Emergency Care Plus MyBradylab with Pearson eText-Access Card Package, 13th Edition (ISBN 9780134190754) by Daniel Limmer and Michael F. O’Keefe, Pearson Publishers, (approximately $196). Students must also purchase a stethoscope and blood pressure cuff (approximately $55). All of these items are available at the MCC bookstore. Also, a $10 refundable key deposit must be given to the instructor on the first day of class.

How to Register: Registration for all non-credit allied health courses, such as EMT, must be done in-person at the Registrar’s Office. Students cannot register over the phone or online for these courses.

Required to Register:

1. A photo ID
2. Proof of passing the free MCC Reading Assessment Test or a college transcript to show a passing grade in any college level course. The Testing Center is located in SSC L131A, and is open Monday-Wednesday 8 AM-12 PM and Thursday 8-11 AM.

All classes meet at Glastonbury Volunteer Ambulance Association, 2112 Main Street, Glastonbury, CT.

CRN 10887 | Fee: $950
36 sessions | 2/11-5/23
15 Tuesdays & 14 Thursdays | 6-10 PM
1 Mental Health Training | Saturday | 3/21 | 8 AM-5:30 PM
Instructor: Scott Thompson, Paramedic, EMS-I, AHA Instructor

Pharmacy Technician

This comprehensive 134-hour course is a Pharmacy Technician Certification Board recognized education/training program and prepares students for an entry-level position as a Pharmacy Technician. It is an excellent review for the PTCB national certification exam. This course includes 84 classroom hours and 50 simulated/online hours to be completed outside of class. The pharmacy technician prepares medications under the direction of a pharmacist and can work in a community hospital, long-term care setting, or pharmacy.

Course Topics: Medical terminology specific to pharmacy, reading and interpreting prescriptions, patient and medication safety, pharmacy law, top 100 drugs (including generic and brand names) indications, significant side effects, inventory control, billing and insurance reimbursement. Students will learn and practice conversion factors, calculate dosages, IV flow rates and solve compounding problems.

Course Completion: For successful completion of this course, students must earn a grade of 70 or above. Strong math skills up to single-variable algebra are required. Students are allowed no more than 2 absences. After the third absence, a student is no longer eligible to pass the course or to sit for the PTCB exam. Arriving more than 30 minutes late or leaving more than 30 minutes before class ends will count as an absence.

Certification Exam: The course fee does not include the PTCB exam fee (approximately $129). Students can sit for the exam after passing the course. Please check the PTCB website (www.ptcb.org) for exam information. Anyone convicted of a felony is evaluated on a case-by-case basis by PTCB to take the exam. This course is a PTCB recognized education/training program. The instructor will explain how to register for the PTCB exam.

Course Supplies to Purchase: The course fee includes the textbook and workbook (Pharmacy Technician Training Manual, 14th edition and the Calculations Workbook, 5th edition). Students should also bring a calculator to class.

How to Register: Registration for all non-credit allied health courses must be done in-person at the Registrar’s Office. Students cannot register over the phone or online for these courses.

Required to Register:

1. A photo ID showing student age of 18 years or older
2. A high school diploma or GED
3. Proof of passing the MCC Math Assessment Test and Reading Assessment Test or a college transcript to show a passing grade in a college level math course. The Testing Center is located in SSC L131A, and is open Monday-Wednesday 8 AM-12 PM and Thursday 8-11 AM.

CRN 11043 | Fee: $900
28 sessions | Mondays & Wednesdays 2/5-5/13 (does not meet 2/17; weather makeup date 5/18)
6-9 PM | LRC Room B144
Instructor: Diane Pacitti, Ph.D., R.Ph.
A CNA may provide the following basic care to patients while under the direction of the nursing staff: bathe, groom and dress patients; serve meals and assist patients with eating; assist patients with walking and transfer them to beds, wheelchairs, and exam tables; observe patients' conditions, record food/liquid intake and output and take vital signs; answer patients' call signals; turn or reposition patients who are confined to bed; provide and empty bedpans; change bed sheets and restock rooms with necessary supplies.

This 120-hour course will prepare students with the entry-level skills needed to work as a Certified Nurse Aide (CNA) in long-term care facilities, hospitals, clinics and home health agencies.

**Clinical Rotation Hours:** To participate in clinical rotation hours, all students must first pass a background check and drug screening through MCC's provider, Castle Branch (approximately a $72 fee) and successfully complete the first 16 hours of specific classroom instruction. Students who fail to meet these requirements will not be allowed to participate in clinical rotation hours and are not eligible to pass the course. Clinical hours 7AM-3PM on Saturdays. **All clinical hours are held at Woodlake at Tolland, 26 Shenipsit Lake Road, Tolland, CT.**

**Background Check and Drug Screening:** Instructions on how to complete these screenings will be mailed to students in a welcome packet after they register for the course. It is advised that students complete these tests as soon as possible since it may take up to two weeks to receive the results. Any criminal charge or pending charge will flag as failure of the screening. Course refunds will NOT be granted due to failure of either the criminal background check or drug screen, unless a written refund request is received on or prior to the last business day before the first class meeting. Do not register for this course if you think you will not pass a background check or drug screening.

**Course Completion:** To sit for the state certification exam, students must attend a minimum of 100 hours of course time, 50 hours of clinical rotations and achieve a passing grade of 70 or above. The Connecticut State Certified Nursing Aide Exam costs approximately $118 and is not included in the course fee. The instructor will provide students with the information needed to apply for the exam.

**Required Textbook and Supplies:** Textbook for Nursing Assistants: A Humanistic Approach to Caregiving by Carter, 4th edition, Lippincott (ISBN 9781496323521) textbook/workbook/video bundle (approximately $122) and a gait belt (approximately $12) both available at the MCC Bookstore. A Manchester Community College Student ID will also need to be purchased for $5. Students are required to wear a white uniform or scrubs, white shoes/sneakers, and a watch with a second hand to the clinical site, and pack a lunch.

**How to Register:** Registration for all non-credit allied health courses, such as CNA, must be done in-person at the Registrar's Office. Students cannot register over the phone or online for these courses.

**Required to Register:**
1. A photo ID
2. Proof of passing the free MCC Reading Assessment Test or a college transcript to show a passing grade in any college level course. The Testing Center is located in SSC L131A, and is open Monday-Wednesday 8 AM-12 PM and Thursday 8-11 AM.

**Welcome Packet:** In addition to the Castle Branch screening instructions, the welcome packet will also include a Health Form due to the instructor before the start of clinical hours.

**Veterinary Assistant II**

**Please Note:** Enrollment is limited to students who have completed Veterinary Assistant I

**Veterinary Assistant II** is the second part of a two-semester 160-hour course/100 hour internship program that will prepare students for an entry-level position in veterinary health care. During this semester, students participate in 80+ hours of classroom time and a mandatory 50 hour internship. This course is offered in partnership with Bolton Veterinary Hospital (B VH).

Please contact Allied Health Program Coordinator, Lorraine Doonan, for more information about the Veterinary Assistant Program: (860) 512-2826 or LDoonan@manchestercc.edu

CRN 11044 | Fee: $900
Class schedule: 11 Tuesdays & 9 Thursdays (does not meet 4/9)
2/25-5/5 | 6-9:30 PM | GPA Room GP216
8 AM Noon or 12:30-4:30 PM (to be determined in class)
Internships: 3/9-5/31 | Off Campus, schedules assigned by instructors
Instructors: Lynne Zelinsky, DVM; Erin Jackson, M.S., CVT; and Denise Champagne, B.S., CVT

**Veterinary Assistant I**

**Instructors:**
- B.S., CVT; and Denise Champagne,
- M.S., CVT; and Denise Champagne,
- B.S., CVT

**Internships:**
3/9-5/31 | Off Campus, schedules assigned by instructors

**Consider Yourself Confirmed!**

MCC notifies you only if a course cancels or its schedule has changed. If you don't hear from us, assume you are registered.
**ART & CRAFTS**

---

### Introduction to Watercolor Painting

Learn the basic materials, brush techniques, value, color theory, and color mixing of the watercolor medium. Students will learn observational painting from still life (focus on color mixing and value); observational painting of the atmosphere and light/shadow (focus on texture, color, and brush work); and observational gesture painting, with an introduction to several non-traditional painting techniques (focus on movement, and expressive and conceptual mark-making). The final session will involve a culmination painting. A materials list will be sent to students prior to class.

CRN 10876 | Fee: $185
6 Wednesdays | 2/12/3/18
6-8:30 PM | VIL 1 Room V101
Instructor: Bonnie Rose Sullivan, M.F.A.

### Introduction to Watercolor Painting II

This course is a continuation of *Introduction to Watercolor Painting*, or for students with some watercolor experience. We will further develop our use and knowledge of the basic materials, brush techniques, value, color theory, and color mixing of the watercolor medium, including observational paintings from still life, light and shadow, and gestures, as well as several non-traditional painting techniques. The final session will involve a culmination painting. A materials list will be sent to students prior to class (same supply list as the Introductory course).

CRN 10878 | Fee: $185
6 Wednesdays | 3/25/4/29
6-8:30 PM | VIL 1 Room V101
Instructor: Bonnie Rose Sullivan, M.F.A.

---

### Introduction to Acrylics

This course provides an introduction to the artistic theories and techniques of acrylic painting. Solid foundational skills will be established through an essential analysis of color theory, along with an in-depth exploration of traditional and non-traditional techniques. Through observational painting practice, students will learn about atmospheric perspective, light and shadow, texture, and mark making. Students will take home several small paintings and studies, as well as a culmination painting. For beginning to intermediate level students. A materials list will be sent to student prior to class; approximate total cost is $45, which will be lower if students already own basic supplies, such as brushes and paints.

CRN 10879 | Fee: $150
4 Wednesdays | 5/6-5/27
6-9 PM | VIL 1 Room V101
Instructor: Bonnie Rose Sullivan, M.F.A.

### Foundations of Drawing

This course is for beginning artists, as well as for those continuing their art. Students will gain a firm foundation toward creating their own drawings. We will work from still life and learn how to observe the object, so that it can be transferred to paper. We will focus on basic skills, such as composition, structure, and proportion. The instructor will work with each student individually, as well as demonstrate techniques to the whole group. Students should bring the following materials to class: drawing pad with quality paper (18” x 24” or smaller); art eraser; and pencil set from B2 to B5.

CRN 10853 | Fee: $150
6 Fridays | 2/28-4/3
10 AM-Noon | VIL 1 Room V101
Instructor: Zbigniew Grzyb, M.A.

### Paint with Oil Pastels

Learn how to use oil pastels and master the flexibility of this wonderful medium to create “paintings” on paper and explore all of its various possibilities. The instructor will demonstrate techniques, and work individually with each student toward achieving artistic goals. Students will also learn how to layer and mix colors, blend, stipple, and tone and achieve a variety of effects. Students should bring the following materials to class: a basic set of oil pastels (at least 12 colors); a Bristol pad or other thick paper with a smooth surface; a dull-edged knife (kitchen butter knife is fine); pencil; and paper towels.

CRN 10854 | Fee: $150
6 Fridays | 4/17-5/22
10 AM-Noon | VIL 1 Room V101
Instructor: Zbigniew Grzyb, M.A.
**Chinese Brush Painting: Winter Plum Blossom and Red Cardinal**

Give the most creative and original gift you can during this holiday season! Using the traditional Winter Plum Blossom and Red Cardinal for a subject reference, you will be introduced to the fundamentals of this ancient art form, using ink on rice paper. Develop your imaginative, drawing and design skills, while expanding your knowledge of Asian art. Learn from demonstration and practice under the gentle, patient, and talented eye of the instructor. Please bring your lunch, as well as paper plates for mixing ink and paper cups for water. Materials fee: $20, payable to the instructor at the beginning of class, for rice paper, bamboo brush, and ink; the supplies are yours to take home and continue on your own.

CRN 10964 | Fee: $90
1 Saturday | 2/22
8:30 AM-2:30 PM | GPA Room GP202
Instructor: Yuemei Zhang, M.A.

**Jewelry Making for Beginners: Bezel Setting**

Bezel Setting is a technique used to set cabochon stones. Other materials can be substituted, such as beach glass, pebbles, or pottery shards. You will learn the fundamental skills for Bezel Setting, including how to saw and solder metal, while making a copper or silver pendant. The first session will cover all demonstrations, materials, and tools needed to complete your project. Please also bring a pencil and sketchbook. Materials fee: approximately $25-30, depending on the metal selected for your jewelry project. There is also a $2 studio fee, payable to the instructor at the beginning of the first session. In addition, a tool list will be sent prior to class. Participants must be at least 14 years of age. Repeat students always welcome!

CRN 10963 | Fee: $130
4 Saturdays | 4/18-5/9
(registration deadline 4/15)
11 AM-2 PM | AST Room D132
Instructor: Carla Polek, M.F.A.

**Create Silver Jewelry with Precious Metal Clay (PMC)**

This course is for both the beginning and experienced student. Learn to craft fine silver jewelry as though you’re playing with clay. Once shaped, dried, and fired in a kiln, the putty-like PMC becomes an object of fine silver. Design, shaping of the material, stone setting, texturing, and molding to finishing and antiquing, will all be addressed. You will go home with two to three completed pieces of silver jewelry, such as necklaces, simple beads, earrings, or charms. Materials fee: $75-$80, payable to instructor at the first class, for one package of PMC and supplies. Please note: Materials fee is subject to change according to market prices. A materials list of simple, inexpensive tools will also be sent prior to class (instructor supplies almost everything).

CRN 10998 | Fee: $140
3 Mondays | 3/23-4/6
(registration deadline 3/16)
6:45-9:45 PM | GPA Room GP215
Instructor: Judith E. Goldstein, PMC Guild Certified

**Introduction to Ceramics: Next Level**

This course is designed for those students who have already taken the instructor’s Introduction to Ceramics, or who have some previous experience with ceramics. Students will expand upon their introductory skills to create functional and decorative pieces, using the previously learned hand building techniques, including coil building, slab construction, and sculpting, to create more advanced projects. Students will be encouraged to pursue their own creative vision. Upon completion of the course, students can expect to take home at least one finished piece, which can be picked up in the Continuing Education Office two weeks after the end of the course. Office hours are Monday-Friday, 8:30 AM-5 PM. Materials fee: $25, payable to the instructor at the first class, for clay and glazing supplies and kiln operation.

CRN 11065 | Fee: $115
5 Wednesdays | 2/26-3/25
(registration deadline 2/19)
6:30-8:30 PM | GPA Room GP202
Instructor: Janine Turgeon, M.S.

**Jewelry Making for Beginners: Learn to Saw and Solder**

This is a great introductory class for anyone who wants to learn to make their own jewelry! Sawing and soldering are the two basic techniques used to make earrings, pendants, rings, and bracelets. The first class will be a demonstration of sawing and soldering a piece of metal into a piece of jewelry, with an opportunity for question-and-answer. We will also address metal needs and tools, texturing, designs, and equipment for your jewelry project to be worked on in the next three sessions. Materials fee: approximately $25-30 for silver depending on market, and a one-time fee of $2 to cover studio expenses, payable at the beginning of the first session. In addition, a tool list will be sent prior to class. Participants must be at least 14 years of age.

CRN 10962 | Fee: $130
4 Saturdays | 3/7-3/28
(registration deadline 3/4)
11 AM-2 PM | AST Room D132
Instructor: Carla Polek, M.F.A.

**The Art of Needlefelting**

Needlefelting, also called dry felting, is the art of shaping and poking colored, core wool with a felting needle to make 3-dimensional sculptures, such as ornaments, dolls, and stuffed animals. You can also make flat-felted art with this method. You’ll learn how to make and use an armature as a model, and then needlefelt a figure, face or animal of your choice. You can expect to take home two small creations or one more detailed piece. Materials fee: $15 for a needlefelt kit (4 needles, a small foam work surface, and fingerguards), core wool, and wire. The instructor also provides helpful handouts.

CRN 10955 | Fee: $75
3 Saturdays | 4/18-5/2
1-3 PM | GPA Room GP202
Instructor: D. Sassano, M.F.A.

**ATTENTION:**

All Credit-Free Instructor Biographical Notes are listed at the back of the catalog.
MBSR Orientation listed above.

Regain or enrich your life—and at a very competitive price!—by practicing mindfulness through guided meditations in class and at home. In MBSR, you will learn “Mindfulness,” a focus on what is happening in the present moment, by practicing experiential 8-week program, including one Saturday session, that helps you calm your mind and body in order to relieve pain, manage anxiety, cope with illness or physical distress, increase productivity, improve sleep, sharpen focus, and feel a deeper sense of peace. Scientific research strongly supports the effectiveness of MBSR. In this intensive training, you will learn “Mindfulness,” a focus on what is happening in the present moment, by practicing through guided meditations in class and at home between classes. The various formats for mindfulness include sitting, walking, stretching, and lying down. Regain or enrich your life—and at a very competitive price too! Prerequisite: Students must attend the MBSR Orientation listed above.

First Degree Reiki Training
Awaken your dormant healing abilities in this day-long workshop. Learn a thorough history of Reiki from its ancient origins to its adaptation to the modern office, hospital, and daily life. Participants will learn about the chakra system, Reiki principles, hand positions for healing, and attunement to awaken one’s ability to heal. Participants will also discuss the benefits of Reiki for both the client and practitioner. This class includes two Reiki sessions: one as a recipient and one as a Reiki practitioner. Please bring a blanket, pillow, and your lunch to class.

CRN 10865 | Fee: $150
1 Saturday | 3/21
8:30 AM-4 PM | AST Room D213
Instructor: Dory Dzinski, M.A.

Second Degree Reiki Training
Building on First Degree Reiki Training (or if you’ve taken Reiki with a different instructor), this workshop introduces the first three ancient, sacred Reiki symbols that are used to discover the root of one’s problems, as well as to heal through distance and assist in the gentle release of emotions. Participants will also learn to create a sacred space, use meditation to connect to one’s guides, and learn how to construct and utilize a crystal grid. At the end of the workshop, students will incorporate the Reiki symbols to give and receive a full Reiki session and to send a distance healing as a second degree Reiki practitioner. Please bring a blanket, pillow, and your lunch to class.

CRN 10872 | Fee: $175
1 Saturday | 4/18
8:30 AM-4 PM | AST Room D213
Instructor: Dory Dzinski, M.A.

Reiki III: Master
Building on First and Second Degree Reiki Training (or if you have taken these levels with another instructor), this workshop teaches Reiki practitioners about three additional sacred Reiki symbols to access healing on a spiritual level. Participants will utilize and receive advanced psychic healing during this hands-on session. Please bring a blanket, pillow, and your lunch to class.

CRN 10873 | Fee: $200
1 Saturday | 5/16
8:30 AM-4 PM | AST Room D213
Instructor: Dory Dzinski, M.A.

Meditation as a Life Skill
Learn how meditation can help relieve anxiety, distraction, and internal clutter, and give you the ability to listen to your innate wisdom. We will discuss and experience silent, guided, breath-focused, body-focused, and prayerful meditation. We will also discuss how to evaluate if you are “doing it right.” Join us in this journey to physical, emotional and spiritual well-being. Feel free to bring a pillow, mat or blanket if you do not wish to sit on the floor. Journalers, please bring your notebooks along.

CRN 10874 | Fee: $99
4 Wednesdays | 4/15-5/6
7-9 PM | GPA Room GP214
Instructor: Dory Dzinski, M.A.

Create Your Own Dreamcatcher with a Spring Theme
Learn how to create your own dreamcatcher—a traditional art in many Native American tribes—and for this class, create one with a spring theme to celebrate rebirth and renewal, using such items as flowers. A properly completed dreamcatcher represents the four elements that are necessary for sustaining life: air, water, earth, fire. Learn the techniques for constructing an entire dreamcatcher from the inner web to adding beads and ornamentation. The symbolic aspects and meaning of the dreamcatcher parts will also be discussed; each one, a unique and creative expression of your personality or outlook, and yours to take home. Materials fee: $7 payable to the instructor at the beginning of class, for all the supplies necessary to create and take home your own dreamcatcher.

CRN 11046 | Fee: $30
1 Saturday | 3/21
9:30 AM-Noon | GPA Room GP136
Instructor: Vanessa Parker, M.A.

These classes are enrichment programs and do not necessarily reflect the views of MCC.
INTRODUCTORY

Keyboarding Introduction

Feeling a little overwhelmed by your need to develop touch keyboarding skills? This basic typing course will help you develop your skills at your own pace. Learn proper techniques for alphabetic and numeric key reaches. There is no prerequisite.

CRN 11016 | Fee: $99
2 sessions | Tuesday & Thursday | 1/14-1/16
6-9 PM | LRC Room B142
Instructor: Steven Bloom, M.Ed.

Android Phone Overview

Are you planning to purchase (or already have) a new Android phone and feel a bit overwhelmed while operating your phone? This overview of the Android features and operation will get you on the right track quickly.

CRN 10999 | Fee: $15
1 Thursday | 2/13
6-7 PM | LRC Room B141
Instructor: Michael Januska, M.B.A.

Cloud Storage Solutions

Are you confused about what the cloud storage services for your phone or PC can do for you as a home user or small business owner? This quick overview course will detail how you can use cloud storage from Microsoft, Google or Dropbox to your advantage. Students will learn how to configure Microsoft OneDrive, Google Drive, Dropbox and more to synchronize folders on your devices, upload and download files, photos, videos, and organize data.

CRN 11001 | Fee: $15
1 Thursday | 2/20
6-7 PM | LRC Room B141
Instructor: Michael Januska, M.B.A.

Apple iPhone: Overview

Are you planning to purchase (or have you already purchased) a new iPhone and feel a bit overwhelmed operating your phone? This overview of the iPhone features and operation will get you on the right track quickly.

CRN 11003 | Fee: $15
1 Thursday | 2/27
6-7 PM | LRC Room B141
Instructor: Michael Januska, M.B.A.

Apple iCloud Basics

Are you confused about what the iCloud mobile application for your iPhone can do for you as a home user or small business owner? This quick overview course will explain how you can use cloud storage to your advantage. Students will learn how to configure iCloud, synchronize folders on all Apple devices, upload or download files, photos, videos, and organize data.

CRN 11004 | Fee: $15
1 Thursday | 3/5
6-7 PM | LRC Room B142
Instructor: Michael Januska, M.B.A.

Students are encouraged to use USB-style flash or thumb drives in our MCC computer labs as a method of saving or backing up work associated with MCC courses. Flash or thumb drives can be purchased at the MCC Bookstore, or your local or online computer store.
COMPUTER TECHNOLOGY

iPad: Basics

Join others to learn how to customize your iPad settings, access built-in productivity apps such as Notes, Calendar, Reminders, and learn how to sync your content with the iCloud. Also learn more about your iPad’s entertainment features. If you have only been using your iPad to check mail and surf the web, this is the perfect class to begin customizing your favorite tool. The App Store has over 1 million apps to choose from. How do you know which one to choose? In this class we will also visit the top selling (or free) apps and learn how they can enhance your actions on the web as well as your everyday activities. From surfing to downloading, you will learn how to acquire and manage apps on your device. Prerequisite: Students, bring your fully charged iPad (updated with the most recent version of the iPad operating system software, called iOS. Depending on the version of your iPad the iOS version could be version 9 through version 12). You will also need your Apple ID and iTunes password for the class.

CRN 11005 | Fee: $30
1 Thursday | 3/12
6-9 PM | LRC Room B142
Instructor: Michael Januska, M.B.A.

Computer Boot Camp

Do you feel you are being left behind in the technology revolution? It is never too late to learn. This course will acquaint you with the computer terminology and devices that help manage information today. You will gain insight into computer hardware and the Microsoft Windows operating system. In addition, you will learn how to use the basic word processing functions of the popular Microsoft Word program. You will also learn how to use the Outlook email program and the best search techniques on the Internet. Registered students are eligible for free Windows software. Instructor provides handouts. Prerequisite: Keyboarding skills recommended.

CRN 11017 | Fee: $199
4 sessions | Mondays & Wednesdays | 2/24-3/4
6-9 PM | LRC Room B142
Instructor: Derrick Curry, M.S.

Office Suite & Outlook

Word 2016 Overview

Microsoft Word 2016 Overview

Students will learn the fundamentals of word processing: how to create, edit, format and save a document. Instructor provides handouts.

CRN 11064 | Fee: $50
1 Tuesday | 1/21
6-9 PM | LRC Room B142
Instructor: Derrick Curry, M.S.

Outlook 2016 Overview

Outlook is the preferred communication tool in most jobs today. Learn how to use email and calendar features. Instructor provides handouts. Prerequisite: Basic Windows, keyboarding and mouse skills.

CRN 11135 | Fee: $50
1 Thursday | 1/28
6-9 PM | LRC Room B141
Instructor: Derrick Curry, M.S.

Excel 2016 Overview

Microsoft Office is the best-selling premier business software suite in the world. MCC now offers a three-hour cost-effective overview of features and basic operation of each Microsoft Office application. Additional in-depth training is available for these software applications at MCC. Students will learn to recognize data types, enter spreadsheet data, edit data and use basic formulas. Instructor provides handouts.

CRN 11136 | Fee: $50
1 Tuesday | 1/28
6-9 PM | LRC Room B142
Instructor: Derrick Curry, M.S.

Microsoft Office 2016: MCC Certificate (DAY)

Increase your employability with this intensive 36-hour course and receive a Microsoft Office 2016 MCC Certificate on completion. This hands-on workshop will include practice time on Word, Excel, Access, PowerPoint and Outlook. Students will learn the basics of all Office programs, including merges and graphics in Word; formulas, data management, formatting and printing in Excel; database creation, queries, report and form design and relationships in Access; creating slide shows, animation, and advanced formatting in PowerPoint; and e-mail management, creating folders, scheduling appointments with others, organizing contact lists, in Outlook. Instructor provides handouts. Students also have the option of taking the internationally recognized Microsoft Office Specialist (MOS) 2016 exams at our approved MCC testing center for an additional fee. To register for the MOS certification exam, or to receive more information about the exam, please contact Bruce Manning at BManning@manchestercc.edu. Prerequisite: Basic Windows, keyboard and mouse skills.

CRN 10909 | Fee: $599
6 Wednesdays | 3/18-4/22
9 AM-4 PM | LRC Room B142 (limited seating)
Instructors: John Hilditch, M.S.

Microsoft Office 2016: MCC Certificate (Evening)

Increase your employability with this intensive 12-week course and receive a Microsoft Office 2016 MCC Certificate on completion. This hands-on workshop will include practice time on Word, Excel, Access, PowerPoint and Outlook. Students will learn the basics of all Office programs, including merges and graphics in Word; formulas, data management, formatting and printing in Excel; database creation, queries, report and form design and relationships in Access; creating slide shows, animation, and advanced formatting in PowerPoint; and e-mail management, creating folders, scheduling appointments with others, organizing contact lists, in Outlook. Instructor provides handouts. Students also have the option of taking the internationally recognized Microsoft Office Specialist (MOS) 2016 exams at our approved MCC testing center for an additional fee. To register for the MOS certification exam, or to receive more information about the exam, please contact Bruce Manning at BManning@manchestercc.edu. Prerequisite: Basic Windows, keyboard and mouse skills.

CRN 11070 | Fee: $599
12 Tuesdays | 3/3-5/19
6-9 PM | LRC Room B142
Instructor: Cathy Lukas, M.A.
Microsoft Office: Visual Basic for Applications (VBA) to Enhance Office Productivity
Take control of Office 2016 with Microsoft’s Visual Basic for Applications (VBA) and this hands-on course. Learn how to use Office 2016’s built-in Macro Recorder, the Visual Basic Editor, VBA syntax, loops and functions, the Office 2016 Ribbon, and much more. Target audience is for those Microsoft Office 2016 users who would like to learn how to leverage VBA to automate and add versatility to their applications. Coverage includes an introduction to the essentials of VBA syntax. Students learn recording, writing, and running macros in Office 2016; creating code from scratch with the Visual Basic® Editor. Students are eligible to receive free Visual Studio 2019 software. Required text: Exploring VBA for Microsoft Office 2016 Brief (ISBN 9780134497082), available at MCC Bookstore for approximately $42. Prerequisite: Fluency with Microsoft Office 2016 required.

CRN 10925 | Fee: $199
2 Tuesdays | 4/7-4/14
9 AM-4 PM | LRC Room B141 (limited seating)
Instructor: Rob Thornton, B.A.

Project 2016: Introduction
Learn the major features of Microsoft Project 2016, the world’s most popular project management tool. Students will learn how to develop project plans and define tasks and resources. Students will detail, track and report the progress of projects. Students learn in the course include creating task lists, durations, phases; linking tasks, documenting tasks and project plans; setting up resources, capacity, cost pay rates, documenting; assigning resources to tasks, scheduling, applying cost resources to tasks; sharing your plan, Gantt Charts, Timeline views, reporting; tracking progress on tasks, project baselines, task completion percentage; troubleshooting time, schedule, cost, resource, and scope of work problems. Students are eligible to receive free Microsoft Project 2016 software. Instructor provides handouts. Prerequisite: Basic Windows, keyboard and mouse skills, with some exposure to Microsoft Office helpful.

CRN 10937 | Fee: $199
2 Thursdays | 4/2-4/9
9 AM-4 PM | LRC Room B142 (limited seating)
Instructor: John Hilditch, M.S.

ACCOUNTING

Accounting I: A Practical Focus to Financial Accounting
In this hands-on course, you will be introduced to the accounting cycle of a service company, emphasizing basic accounting concepts focusing on the recording of transactions and the preparation of financial statements. Topics include the steps of the accounting cycle; transaction analysis; journal entries; statement creation; specific accounting concepts relating to current assets, long-term assets, current liabilities; and payroll. Students will build a company’s accounting system, download and manipulate their data into an Excel spreadsheet. Students are requested to bring a 4 GB flash drive to class. Required text: Schaum’s Outline of Financial Accounting, 2nd Edition (ISBN 9780071762502), available at MCC Bookstore for approximately $19. Prerequisite: Basic Windows, keyboard and mouse skills; familiarity with Excel.

QuickBooks: Introduction
Discover the most effective methods for accomplishing essential business tasks and customizing QuickBooks. We will explore the best practices for tracking finances, managing payroll, processing invoices, controlling inventory, managing sales and expenses, and maximizing the software’s other features. Topics include: how to properly set up your accounts, customers, jobs, and invoice items quickly; following the money; how to track everything from billable time and expenses to income and profit; keeping your company financially fit with methods to examine budgets and actual spending, income, inventory, assets, and liabilities; spending less time on bookkeeping and learning how to use QuickBooks to create and reuse bills, invoices, sales receipts, and timesheets; finding key info fast using QuickBooks’ search and find functions, as well as the vendor, customer, inventory, and employee centers; and moving data between QuickBooks, Microsoft Office, and other programs. Required text: QuickBooks 2016: The Missing Manual: The Official Intuit Guide to QuickBooks 2016 (ISBN 978194917893), available at MCC Bookstore for approximately $40. Prerequisites: Basic Windows, keyboard and mouse skills.

CRN 11019 | Fee $199
2 Mondays | 4/27-5/4
9 AM-4 PM | LRC Room B142 (limited seating)
Instructor: TBA

SPREADSHEETS

Excel 2016: Introduction
Excel 2016 Introduction is designed for people new to spreadsheets and for self-taught users who wish to expand their knowledge. Using Microsoft’s Excel 2016 version of their renowned spreadsheet software, students will learn to recognize the main areas of the Excel worksheet and workbook; enter, edit and delete data; create basic formulae and functions, including SUM, AVERAGE, MAX and MIN; enhance the presentation of workbook data; create, display and manipulate simple charts; work with multiple worksheets; freeze titles and add comments. Instructor provides handouts. Prerequisite: Basic Windows, keyboard and mouse skills.

CRN 11021 | Fee: $99
1 Wednesday | 4/29
9 AM-4 PM | LRC Room B142 (limited seating)
Instructor: George Pillar, M.S.

CRN 11073 | Fee: $99
2 Thursdays | 4/2-4/9
6-9 PM | LRC Room B141
Instructor: Kristin Violette, M.Ed.

Excel 2016: Intermediate
Excel 2016 Intermediate builds on the basic concepts and skills of our Excel Introduction course to provide more advanced tools for analysis and presentation of complex, realistic data in Microsoft Excel 2016: how to manage complex workbooks, build more complex functions, use data analysis tools, make an impact with powerful chart and presentation features, and collaborate with other users. Topics include: managing workbooks, named ranges, tables, summarizing data, pivot tables, presentation features, advanced charts, and collaboration. Students also have the option of taking the internationally recognized Microsoft Office Specialist (MOS) 2016 exam at our approved MCC testing center for an additional fee. Instructor provides handouts. Students also have the option of taking the internationally recognized Microsoft Office Specialist (MOS) 2016 exams at our approved MCC testing center for an additional fee. To register for the MOS certification exam, or to receive more information about the exam, please contact Bruce Manning at BManning@manchestercc.edu. Prerequisite: Excel Introduction course, or permission of instructor or computer coordinator.

CRN 11076 | Fee: $99
2 Thursdays | 4/2-4/9
9 AM-4 PM | LRC Room B142
Instructor: Kristin Violette, M.Ed.

CRN 10895 | Fee: $99
1 Wednesday | 5/6
9 AM-4 PM | LRC Room B142 (limited seating)
Instructor: George Pillar, M.S.
Excel 2016: Data and Functions

This comprehensive course on data handling will ensure that you are tapping the full power of Excel. Features to be examined include: data sorting and filtering; everyday shortcuts; setting interactive calculation options; intentional circular references, recursion, solving simultaneous equations; enabling or disabling automatic workbook calculation; 3D formulas, SERIES formula, animating a chart using iteration, what-if analysis, using Logical, Lookup, Custom, Statistical, Date and Time, Financial, Text, Cube, and Megaformula functions; import/export of tables, and analyzing statistics. Managing information in tables and using pivot table reports, conditional formatting, data validation, formula auditing and simple macro creation will also be addressed to provide what no frequent user should go without. Instructor provides handouts. Prerequisite: Excel Introduction course, or permission of instructor or computer coordinator.

CRN 10899 | Fee: $199
2 Wednesdays | 5/13-5/20
9 AM-4 PM | LRC Room B142 (limited seating)
Instructor: John Hilditch, M.S.

Excel 2016: Pivot Tables

Students will learn how to use a PivotTable to analyze numerical data in detail, query in many user-friendly ways; subtotaling and aggregate numeric data, summarize data by categories and subcategories, and create custom calculations and formulas; expand and collapse levels of data to focus your results, filter, sort, group, and conditionally format the most useful and interesting subset of data enabling you to focus on just the information you want. Learn how to present concise, attractive, and annotated online or printed reports. Instructor provides handouts. Prerequisites: Excel Introduction required or equivalent knowledge.

Knowledge of writing simple formulas and functions, basic charts, basic sorting and filtering.

CRN 10933 | Fee: $50
1 Friday | 5/22
9 AM-Noon | LRC Room B142 (limited seating)
Instructor: George Pillar, M.S.

Excel 2016: Dashboards

Excel dashboards help you get the right information to the right people at the right time. They provide an organized way to view and report large amounts of changing data in real time. This course will cover constructing dashboards, including importing data, functions that select and aggregate, charts, pivot tables, recording Macros and interactive filters. Instructor provides handouts. Prerequisites: Excel Introduction required or equivalent knowledge.

Knowledge of writing simple formulas and functions, basic charts, basic sorting and filtering.

CRN 10935 | Fee: $50
1 Friday | 5/22
1-4 PM | LRC Room B142 (limited seating)
Instructor: George Pillar, M.S.

Excel 2016: Advanced

Excel 2016 Level 3 builds on the concepts and skills of our Level 1 and Level 2 courses to provide advanced tools for solving real-world problems in Microsoft Excel 2016: lookup and decision-making functions, auditing and error-handling, array functions, date and text functions, importing and exporting, what-if-analysis, and macros. Topics include: Logical and Lookup Functions, Advanced Formulas, Auditing, Arrays, Importing and Exporting, Power Pivot, Analysis, Macros and Forms. Students also have the option of taking the internationally recognized Microsoft Office Specialist (MOS) 2016 exam at our approved MCC testing center for an additional fee. Instructor provides handouts. Students also have the option of taking the internationally recognized Microsoft Office Specialist (MOS) 2016 exams at our approved MCC testing center for an additional fee. To register for the MOS certification exam, or to receive more information about the exam, please contact Bruce Manning at BManning@manchestercc.edu. Prerequisite: Excel Intermediate course, or permission of the instructor or computer coordinator.

CRN 11124 | Fee: $99
1 Wednesday | 5/27
9 AM-4 PM | LRC Room B142 (limited seating)
Instructor: George Pillar, M.S.

Apple Macintosh Excel Introduction

This course is designed for people new to spreadsheets and for self-taught users who wish to expand their knowledge. Using Microsoft’s Excel spreadsheet software, students will learn to recognize the main areas of the Excel worksheet and workbook; enter, edit and delete data; create basic formulae and functions, including SUM, AVERAGE, MAX and MIN; enhance the presentation of workbook data; create, display and manipulate simple charts; work with multiple worksheets; freeze titles and add comments. Instructor provides handouts. Prerequisite: Basic keyboard and mouse skills.

CRN 11006 | Fee: $99
2 Tuesdays | 4/14-4/21
6-9 PM | LRC Room B141
Instructor: Richard Hoyer, M.A.

Microsoft Azure Software Information

MCC’s Division of Continuing Education subscribes to Microsoft Azure which allows MCC students to enroll in designated computer classes and receive free Microsoft software that is related to their course.

The subscription includes just the developer products and does not include the Microsoft Office Suite.

Please check with your instructor to see if your course qualifies for MSDNAA software.

Students are encouraged to use USB-style flash or thumb drives in our MCC computer labs as a method of saving or backing up work associated with MCC courses. Flash or thumb drives can be purchased at the MCC Bookstore, or your local or online computer store.
DATABASE

Access 2016: Introduction
Learn the new features of Access 2016 and enjoy how much faster you can build databases in this program. Start with learning how to create tables, the laws of field definitions, create a simple data entry form, filter records with queries and print the data to a report. Students are eligible for free Access 2016 software. Instructor provides handouts. Prerequisite: Basic Windows, keyboard and mouse skills.

CRN 10901 | Fee: $99
1 Wednesday | 5/13
9 AM-4 PM | LRC Room B141 (limited seating)
Instructor: Rob Thornton, B.A.

Access 2016: Intermediate
Using Application Objects, create a multi-table database containing a relationship and learn the significance of relationships in databases. Create select queries, data entry forms, navigation forms, sub-forms and discover how form layout is similar to report layout. Utilize built-in tools to find and replace data, import data, and more. Understand the use of templates. Students also have the option of taking the internationally recognized Microsoft Office Specialist (MOS) 2016 exam at our approved MCC testing center for an additional fee but you may require additional training. Instructor provides handouts. Students also have the option of taking the internationally recognized Microsoft Office Specialist (MOS) 2016 exams at our approved MCC testing center for an additional fee. To register for the MOS certification exam, or to receive more information about the exam, please contact Bruce Manning at BManning@manchestercc.edu. Prerequisite: Access Introduction course, or permission of instructor or computer coordinator.

CRN 10903 | Fee: $199
2 Wednesdays | 5/20-5/27
9 AM-4 PM | LRC Room B141 (limited seating)
Instructor: Rob Thornton, B.A.

Access 2016: Advanced
Explore multi-criteria Parameter queries as well as the many types of Action queries. Build AutoKey and AutoExec macros. Import and export data, explore XML and CSV file formats, and save an object to an XPS file. Students will learn object dependencies, using the Linked Table manager, linking to Excel; procedures to ensure proper database management, such as analyzing, splitting, converting, protecting and backing up databases; and use Access with Outlook. Students also have the option of taking the internationally recognized Microsoft Office Specialist (MOS) 2016 exams at our approved MCC testing center for an additional fee. Instructor provides handouts. Students also have the option of taking the internationally recognized Microsoft Office Specialist (MOS) 2016 exams at our approved MCC testing center for an additional fee. To register for the MOS certification exam, or to receive more information about the exam, please contact Bruce Manning at BManning@manchestercc.edu. Prerequisite: Access Intermediate course, or permission of the instructor or computer coordinator.

CRN 10905 | Fee: $99
1 Friday | 5/29
9 AM-4 PM | LRC Room B142 (limited seating)
Instructor: George Pillar, M.S.

SQL Server 2016: Querying Data with Transact-SQL
The main purpose of the course is to give students a good understanding of the Transact-SQL language which is used by all SQL Server-related disciplines. The primary target audience for is: Database Administrators and Developers. At completion, students will be able to: Describe key capabilities and components of SQL Server; Describe T-SQL sets, and predicate logic; Write a single table SELECT statement; Write a multi-table SELECT statement; Write SELECT statements with filtering and sorting; Describe how SQL Server uses data types; Write DML statements; Write queries that use built-in functions; Write queries that aggregate data; Write subqueries; Create and implement views and table-valued functions; Use set operators to combine query results; Write queries that use window ranking, offset, and aggregate functions; Transform data by implementing pivot, unpivot, rollup and cube; Create and implement stored procedures; Add programming constructs such as variables, conditions, and loops to T-SQL code. Required text: Exam Ref 70-761 Querying Data with Transact-SQL (ISBN 9781509304332), available at MCC Bookstore for approximately $36. Prerequisite: Database Administration Fundamentals course or familiarity with managing databases..

CRN 10939 | Fee: $599
5 Fridays | 4/17-5/15
9 AM-4 PM | LRC Room B142 (limited seating)
Instructor: George Pillar, M.S.

DIGITAL IMAGING & DESIGN

Adobe Photoshop Elements: Introduction
Adobe Photoshop Elements is a new photo-enhancement and manipulation program designed specifically for amateur photographers, hobbyists and business users looking for an affordable, easy-to-use, but powerful digital imaging tool. Instructor provides handouts. Prerequisite: Basic Windows, keyboarding and mouse skills.

CRN 11039 | Fee: $99
2 Tuesdays | 3/31-4/7
6-9 PM | LRC Room B141
Instructor: Richard Hoyer, M.A.

NEW Editing Your Pictures in Photoshop’s Adobe Camera Raw
Photoshop is probably the most well-known and the best digital imaging program on the market today. What many people do not know, however, is that within the Photoshop program is another very powerful program. Its name is Adobe Camera Raw (ACR), and it originally was designed for processing RAW images (most SLR cameras save an image either as a JPG or RAW image – a RAW image is a much more robust entity than a JPG image, and it is the format to use if serious digital editing is needed). The exciting thing about Adobe Camera Raw is that it’s a fantastic tool for editing. JPG and TIF images too!!! It should be mentioned that all images can benefit from at least some editing in a digital imaging program. At the very least, dark areas can be made lighter and light areas made darker. In addition, colors can be improved, sharpness and contrast added, distracting elements removed, and interesting effects added. And what most people don’t realize is that editing is almost mandatory for making a picture look the same as what the naked eye originally saw. Instructor provides handouts. Recommended: Familiarity with Adobe Photoshop.

CRN 11027 | Fee: $99
2 Fridays | 5/22-5/29
6-9 PM | LRC Room B141
Instructor: Richard Hoyer, M.A.
Adobe Acrobat DC: PDF Files, Formats and Forms
Explore the Acrobat DC interface and learn the many ways to customize it to suit your needs. Create Adobe PDF files from Word, Excel, emails or web pages while maintaining formatting and fonts. Use a variety of tools to edit, combine pages, place graphics, import and export content and assign security. Create electronic forms for easy, secure distribution, collaboration, and data collection. Create interactive text fields, check boxes, drop-down menus and more! Students are requested to bring a 4 GB flash drive, or one can be purchased at the MCC Bookstore for approximately $10. Required text: Adobe Acrobat DC Classroom in a Book 3rd Edition, Adobe Press (ISBN 9780135495643), available at MCC Bookstore for approximately $54. Prerequisite: Basic Windows, keyboard and mouse skills; word processing experience recommended.

CRN 11041 | Fee: $199
2 Fridays | 3/20-3/27
9 AM-4 PM | LRC Room B220 (limited seating)
Instructor: Michael Lavoie, M.A.

Adobe Photoshop CC: Introduction (Macintosh)
Learn how to use the most powerful image editing software available, Adobe Photoshop. Improve your photographs using Photoshop’s non-destructive color adjustments and retouching capabilities inside Photoshop and Camera Raw. Topics include: layers; selections; using color and transparency in blend modes; adjusting images to improve quality/suitability for intended publication; advanced image editing; design, color management and type controls. Through demonstration and hands-on exercises taught by a media arts professional, you will create exciting and amazing images using some of this program’s limitless capabilities. Students are requested to bring a 4 GB flash drive to class. Required text: Adobe Photoshop CC 2019 Classroom in a Book (ISBN 9780134852485), available at MCC Bookstore. Prerequisite: Basic navigation of a Mac computer, keyboard and mouse skills.

CRN 11028 | Fee: $99
2 Tuesdays | 3/17-3/24
6-9 PM | LRC Room B141
Instructor: Richard Hoyer, M.A.

Adobe Photoshop CC: Introduction (PC)
Learn how to use the most powerful image editing software available, Adobe Photoshop. Improve your photographs using Photoshop’s non-destructive color adjustments and retouching capabilities inside Photoshop and Camera Raw. Topics include: layers; selections; using color and transparency in blend modes; adjusting images to improve quality/suitability for intended publication; advanced image editing; design, web and print skills with composting, color management and type controls. Through demonstration and hands-on exercises taught by a media arts professional, you will create exciting and amazing images using some of this program’s limitless capabilities. Students are requested to bring a 4 GB flash drive, or one can be purchased at the MCC Bookstore for approximately $10. Required text: Adobe Photoshop 2019 CC Classroom in a Book, Adobe Press (ISBN 9780135261781), available at MCC Bookstore for approximately $54. Prerequisite: Basic Windows, keyboard and mouse skills.

Adobe: Creating Marketing Materials
Using InDesign and Photoshop, this course will cover the basics of creating business collateral such as flyers, brochures, post cards, business cards and letterhead in InDesign along with image enhancement and management in Photoshop. Basic graphic design principles will be covered for design of layouts for print and web and how to arrange text, graphics, logos and images. Students are requested to bring a 4 GB flash drive, or one can be purchased at the MCC Bookstore for approximately $10. Required text: The Non-Designers Design Book, 4th ed. (ISBN 9780133966152), available at MCC Bookstore for approximately $32. Prerequisite: Basic Windows, keyboard and mouse skills.

CRN 11024 | Fee: $299
3 Fridays | 4/17-5/1
9 AM-4 PM | LRC Room B220 (limited seating)
Instructor: Kathleen Smits, M.A.

OPERATING SYSTEMS
Windows 10: Introduction
Learn the new features of Microsoft’s latest operating system, Windows 10. Topics include: exploring the new desktop in Windows 10, using the new start menu, setting up and configuring Windows, personalizing your work space, saving and syncing content, using Windows 10 included apps and store, using the Cortana voice assistant and the Windows Hello identification application. Students are eligible to receive free Windows 10 software. Instructor provides handouts. Prerequisite: Keyboard and mouse skills required.

CRN 10907 | Fee: $135
1 Thursday | 3/12
9 AM-4 PM | LRC Room B141 (limited seating)
Instructor: Dr. Paul Picard
Beginners welcome! keyboard and mouse skills. No prior programming approximately $10. Prerequisite:

CRN 10915 | Fee: $199
2 Fridays | 3/20-3/27
9 AM-4 PM | LRC Room B141 (limited seating)
Instructor: George Pillar, M.S.

Python: Certification Preparation

Python is a general-purpose, high-level programming language whose design combines remarkable power with very clear syntax. Its standard library is large and comprehensive. Python is easy, fun, educational and powerful. Python allows you to create complex applications easier than most programming languages. The PCAP Certification or the Certified Associate in Python Programming is a professional credential that measures your ability to accomplish coding tasks related to the basics of programming in the Python language and the fundamental notions and techniques used in object-oriented programming. Students will learn the following skills in this certification preparation course:

Week 1: language elements, syntax and semantics; literals: Boolean, integer, floating-point numbers, scientific notation, strings; numeric, bitwise, string, Boolean, relational operators; basic input and output: formatting; simple lists; indexing and slicing, the len() function; conditional statements; building loops; iterating through sequences expanding loops; nesting loops and conditional statements

Week 2: strings in detail; lists in detail; lists in lists; tuples: indexing, slicing, building; tuples vs. lists; dictionaries

Week 3: functions and generators; return, None and yield keywords; recursion, parameters, default parameter, positional keyword; name scopes, name hiding (shadowing), the global keyword; lambda functions, defining and using; map(), filter(), reduce(), reversed(), sorted() functions and the sort() method; import directives; qualifying entities with module names, initializing modules; writing and using module

Week 4: defining your own classes, superclasses, subclasses, inheritance; class variables and instance variables; inheritance and overriding; invoking methods, passing and using the self argument/ parameter; writing and using constructors; using predefined exceptions and defining your own ones; the try-except-finally block, the raise statement, the except-as variant; opening files with the open() function, stream objects, binary vs. text files; newline character translation, reading and writing files, bytestream objects; read(), readinto(), readline(), write(), close() methods

CRN 11008 | Fee: $500
4 Fridays | 4/17-5/8
9 AM-4 PM | LRC Room B141 (limited seating)
Instructor: Lazar Pevac, Ph.D.

PC Maintenance and Repair

Why pay for expensive upgrades when you can learn how to do them yourself? Practice RAM, expansion cards, and peripheral device installations in a hands-on workshop with real parts. Learn how to configure drivers and troubleshoot your Windows operating system. You will learn how to reformat a hard drive, partition it, and load Windows. Discover how to add new peripherals, including printers and scanners. Learn how to download and install driver updates from the manufacturer’s website. Additional topics include troubleshooting basics, researching errors online, hardware trends, buying a new PC (pre-built vs. custom), and standards for monitors, hard drive sizes, ports, and optical drives. Additionally, viruses, spyware, surge protectors, and backups will be discussed. For the beginner through intermediate PC user. Registered students are eligible for free Windows software. Instructor provides handouts. Prerequisite: Basic Windows, keyboard and mouse skills.

CRN 10893 | Fee: $199

A+ Certification 220-1001 Exam Preparation

CompTIA A+ Certification validates the latest skills needed by today’s computer support professionals. It is an international, vendor-neutral certification recognized by major hardware and software vendors, distributors, and resellers. The first required A+ exam, CompTIA A+ 220-1001, measures necessary competencies for an entry-level IT professional. This course will prepare you for the CompTIA A+ 220-1001 certification exam. Get the skills and knowledge necessary to install, build, maintain, and configure personal computers, laptop computers, and printers. You will also learn the principles of physical and TCP/IP networks and operational and professional procedures. Required program material is included in course fee. The cost also includes the electronic texts, hands-on labs and practice exams for both the 1001 and 1002 exams. The A+ 220-1001 or A+ 220-1002 exams are not included in the cost of the course. Students must schedule these exams at a certified test center for an additional fee of $205 per exam and pass both the 220-1001 and 220-1002 exams to be certified. The course instructor will inform students about the exam application process. A+ test centers can be found at www.prometric.com. Registered students are eligible to receive free Windows software. Prerequisite: Basic knowledge of hardware and operating systems recommended.

CRN 10929 | Fee: $1,000
6 Thursdays | 4/2-5/7
(registration deadline 3/23)
9 AM-4 PM | LRC Room B141 (limited seating)
Instructor: Dr. Paul Picard

Students are encouraged to use USB-style flash or thumb drives in our MCC computer labs as a method of saving or backing up work associated with MCC courses. Flash or thumb drives can be purchased at the MCC Bookstore, or your local or online computer store.
A+ Certification 220-1002 Exam Preparation

This course will prepare you for the second required CompTIA A+ 220-1002 certification exam. CompTIA A+ 220-1002 covers installing and configuring operating systems including Windows, iOS, Android, Apple OS X and Linux. It also addresses security, the fundamentals of cloud computing, operational procedures and the basics of networking and security/forensics. In this course, students will learn the skills and knowledge necessary to install, configure and maintain devices, PCs, and software for end users, while properly and safely diagnosing, resolving, and documenting common hardware and software issues. Students will also learn the principles of physical and TCP/IP networks and operational and professional procedures and understand the basics of virtualization, desktop imaging, and deployment. Lastly, students will learn to assemble components based on customer requirements, apply troubleshooting skills, and how to provide appropriate customer support. Required program material is included in course fee. The cost also includes the electronic texts, hands-on labs and practice exams for both the 1001 and 1002 exams. The A+ 220-1001 or A+ 220-1002 exams are not included in the cost of the course. Students must schedule these exams at a certified test center for an additional fee of $205 per exam and pass both the 220-1001 and 220-1002 exams to be certified. The course instructor will provide handouts. Recommended (but not required) textbooks: Guide to TCP/IP (ISBN 9781305946958) and The Only IP Book You Will Ever Need (ISBN 9781449373929) can be found at online bookstores.

WEB DESIGN

NEW Create Your Own Website Using Weebly

There currently are many website creation companies available that allow for both technical and non-technical people to quickly design and set up their own websites. This is possible due to the availability of professionally produced templates, lots of design elements that can be added to a website by simply dragging and dropping, and the ability to easily add and modify both text and pictures. We will be working with Weebly (www.weebly.com) in this seminar – a highly rated and very popular website creation company. As of this writing, the company has four pricing plans that range from $0 to $30 per month. The quality of Weebly’s templates and other features they offer are more than enough for producing very inexpensive, high quality, and highly competent websites. A thorough and complete handout will be passed out at the class. It covers all the material presented in the class. With a bit of practice and with the handout for review, you’ll be ready to design and setup your very own website!!

WordPress Web Design Introduction

WordPress is an easy-to-learn, easy-to-use, Content Management System (CMS) for creating and managing websites. Originally designed for blogs, its capabilities have expanded to creating complete websites. By the end of this course you will be able to create a template-based website, apply certain customizations, add page elements such as links, images, and videos, enhance a flexible built-in search tool for your site, and empower yourself and your colleagues to add ongoing updates. Students are requested to bring a 4GB flash drive to class. Instructor provides handouts. Prerequisite: Basic Windows, keyboard and mouse skills with some exposure to Microsoft Office helpful.

CRN 10911 | Fee: $199

Web Design: MCC Certificate

Build new skills to start or advance your career as a web developer in our Web Communication and Design program. Courses in this program start with the core areas of HTML and CSS and move on to the use of Adobe desktop tools for web design - ending with exposure to Web Content Management Systems. Your Web design portfolio at the end of the Professional certificate program will include published Web sites that showcase your front-end designs and your cross-platform experience with multiple toolsets. Students who successfully complete this program will be awarded the Web Design MCC Certificate. Instructor will provide handouts and a USB drive with the complete course installed on it. Prerequisite: Basic Windows, keyboard, mouse and web browser skills. Please note the following web design applications are included in the Web Design: MCC Certificate program: HTML5/CSS3 Introduction; Adobe Dreamweaver Introduction; Muse Introduction; and WordPress Introduction. Ask about scholarship funding for this course. Contact Bruce Manning, Program Coordinator, bmanning@manchestercc.edu.

CUISINE

Fresh Pasta Delicacies
Whether you’ve never made fresh pasta, or just need to brush up on your technique, this class is for you! Learn how to mix, crank and design fresh pasta shapes and flavors from scratch. We’ll captivate your taste buds with Fried Ravioli with Spicy Marinara, Acorn Squash Cappellacci with Maple Cream Sauce, Capellini with Tomatoes, and Pancetta and Chiles. We’ve also got the classic Fettuccine Alfredo with Fire-Roasted Red Peppers and the extra special Crab Ravioli with Balsamic Brown Butter or Papardelle with Sausage and Peas.
We’ll pair our fresh pasta dishes with something flavorful! Materials fee: $15, payable to instructor at the beginning of class.
CRN 11066 | Fee: $55
1 Thursday | 2/6
6-9 PM | GPA Room GP213
 Instructor: Joshua Ogrodowski, M.A.T.

The Cuisine of Venice
Venice is one of the most romantic cities in Northeast Italy, not only full of culture but great foods. We’ll explore foods of this powerful city, with our hands-on approach. We’ll create Venetian Style Marinated Flounder, Chicken Confit of Red Bell Peppers and Onions, Panna Cotta, Shrimp and Tomato Crostini, and Stuffed Artichokes. Students should bring containers to take leftovers home. Materials fee: $15, payable to instructor at the beginning of class.
CRN 11069 | Fee: $55
1 Thursday | 5/7
6-9 PM | GPA Room GP213
 Instructor: Joshua Ogrodowski, M.A.T.

Chocolate Made with Love
For Valentine’s Day, learn how to make three different types of chocolates. The easiest is a simple chocolate bark, after which we’ll make the ganache for shaped truffles. While the ganache is chilling, you’ll learn the art of making molded chocolates, and enjoy munching on the bark.
During the preparation of these three types of chocolate, you’ll have a choice as to which “add-in’s” or “roll-in’s” you want. You will take home a variety of truffles, molded chocolates, and chocolate bark to share with your loved ones. You will also learn tips and tricks of the trade to making and packaging chocolates. Students should bring a lunch. Materials fee: $15, payable to instructor at the beginning of class.

CRN 10834 | Fee: $75

Cheney Hall: An Historical Overview and Theater Tour with Complimentary Tickets to Little Theatre!
Cheney Hall, in the heart of Manchester’s Historic District, is the jewel in the complex of structures relating to the Cheney Brothers silk mills, which dominated the town for more than a century. Built in 1867 as a meeting place and social venue for the mills’ thousands of workers, Cheney Hall has had several iterations over the decades, including as a site for boxing exhibitions, a hospital during the flu epidemic of 1918, and several decades as a fabric showroom for silk and other textiles. Today this handsome Victorian building, built in the French Second Empire style, is the home of the Little Theatre of Manchester. The classroom session will comprise an historical, social, and architectural overview of Cheney Hall. Handouts will be provided. For the second session, students will meet at Cheney Hall, 177 Hartford Rd., Manchester, for a guided backstage tour, including anecdotes about the Little Theatre of Manchester’s quarter-century residency in the Hall.

PLUS SPECIAL OFFER to all registered students: one complimentary ticket (approximately a $20 value!) per person for the Little Theatre’s production of In the Heights (June 5-21) or Enchanted April (August 7-23).

DANCE

Adult Ballet for the Absolute Beginner
Learn to move with the grace of a ballerina! Maybe you’ve seen the new ballet barre fitness workouts and are curious to try the barre. Maybe you used to take ballet as a young child and would like to resume practice. This course will teach you the basics of ballet, beginning with the very first fundamentals. Learn the positions and learn the exercises that use the ballet barre, as well as some center practice. Ballet creates long, lean muscles and builds strength and grace. Don’t just wonder about the fun and benefits of ballet—sign up for classes with our expert instructor! Please note: Students should bring ballet slippers.

CRN 10957 | Fee: $90
7 Fridays | 1/31-3/20 (does not meet 2/14)
6:15-7:15 PM | SSC Room L154 (Fitness Studio)

Instructor: Beverly Burton, Dance Educators of America

Ballroom Dancing II
You’ve learned the basic steps and started having fun in those classes of Ballroom Dancing I, haven’t you? The basic dances—fox trot, waltz and swing—will be reviewed, and new steps will be taught, depending on the interest and ability of the class. Some Latin dances will also be included, such as the rumba, merengue, and salsa. It is recommended that you register with a partner and have taken Ballroom Dancing I or have some ballroom dancing experience.

CRN 10976 | Fee: $95
6 Tuesdays | 4/14-5/19
6:30-7:45 PM | SSC Room L154 (Fitness Studio)
Instructor: Beverly Burton, Dance Educators of America

All Latin Dance: Merengue, Salsa and Rumba
Learn three styles of dance for the price of one! Merengue uses syncopated movements similar to a march—a controlled motion of Cuban origin, with small steps and a more subtle hip motion than other Latin dances. Salsa is similar to the Mambo, with movement starting on the first beat of the music instead of the second, a fast dance in quick-quick-slow rhythm. Rumba is a “spot dance” done in one place, with the emphasis on hip movement, in which the man “shows off” for his partner and the woman maintains an erect and proud carriage, as she moves from one figure to another. Enrollment is limited to 15 pairs of dancers. It is recommended that you register with a partner; all participants must register separately, however. Please dress in appropriate dance wear.

CRN 10966 | Fee: $95
6 Tuesdays | 1/21-2/25
6:30-7:45 PM | SSC Room L154 (Fitness Studio)

For all classes in the Fitness Studio
Only non-marking footwear (or bare feet) allowed during class time—no street shoes, boots, sandals, or cleats. Proper athletic clothing must also be worn at all times. Please bring a combination lock to secure your personal belongings during class.
ESL: Conversation, Customs and Culture

Come practice your English in a fun, relaxed and informal setting, while learning about American customs and culture. We will discuss the meaning of idioms and what to do and say in a variety of everyday practical and social situations, such as working, traveling, and celebrating holidays. Practice your communication skills, as you share aspects of your culture with your classmates and explore your common interests. This course is ideal for adult pairs who need to fulfill their educational requirements. Students should be at a higher beginner to intermediate level of spoken English. If you are unsure about your skill level, you may provide your contact information to Continuing Education and the instructor will contact you. The instructor provides handouts.

CRN 10858 | Fee: $105
5 Mondays | 3/9-4/6
6:30-8:30 PM | GPA Room GP136

Listening Journals to Improve Your Listening Skills

The focus of this course is to provide opportunities for students to listen with purpose and improve their listening skills, which will directly improve their comprehension. The classroom sessions will utilize the “Ted Talks” program at www.ted.com/talks. Students will choose a video recording of interest and practice taking notes, while viewing and listening—without and with English subtitles—and learn to comprehend and evaluate their level of understanding. Students should bring to class 3 different colored pens (black, blue and red).

CRN 10857 | Fee: $130
6 Saturdays | 2/29-4/4
9-11 AM | GPA Room GP235
Instructor: Nasreen Al Omari, M.Ed.

Take Action with Verbs

This course is designed for the beginner to intermediate level ESL student. Students will focus on the twelve verb tenses, ranging from the Present and Past to all of the Perfect and Continuous tenses. Emphasis will be on affirmative and negative statements, Yes/No, and Who/What/When/Where/Why questions and answers. Intense exercises will develop writing, reading and speaking skills. The instructor will provide handouts.

CRN 10846 | Fee: $245

Morges and the Home Buying Process
The process for getting a mortgage is constantly changing and qualifying for credit is more challenging than ever. Whether you are considering buying for the first time or you are looking to get into the market a second or even third time, you'll need the most up-to-date information to be successful. You’ll gain knowledge on the following topics: understanding how to be a loan candidate; completing a home buying strategy; the impact of a credit score; pre-approval vs. pre-qualified; choosing a realtor; overview of the mortgage process; governmental changes impacting the mortgage industry and how they impact you; and rent vs. own. Handouts will be provided.

Home Staging: Preparing Your Home for Sale
Why not get the maximum value when it comes time to sell your house? With some effective home staging tips and tasks, you can accomplish exactly this. We will explore what potential buyers look for; how to showcase the positive attributes of your home; pinpoint areas for home improvement; and discuss a variety of important things you can do to attract a range of buyers by showcasing your home in a whole, new light. Students should bring a notebook and pen.

CRN 11072 | Fee: $25
1 Wednesday | 3/18

Home Storage and Decluttering Solutions
Did you ever think about the storage potential of your closets? An organized closet not only provides excellent storage solutions but can alleviate stress! In addition to closets, more often than not, you already have the majority of what you need to reorganize, reimagine and declutter your home space(s). Let’s navigate the sea of options available to maximize a variety of home spaces with both stock and custom storage solutions, whether you choose to DIY or hire a professional. Students should bring a notebook and pen.

Creating Your Retirement Income Plan
Learn how to turn your hard-earned savings into income that will last a lifetime! People are living longer, companies are cutting pensions, and the economy is in turmoil. How long will your “nest egg” last? If you are 5-10 years on either side of retirement, come learn little-known professional techniques to help stretch your retirement dollars!

CRN 11078 | Fee: $20
1 Wednesday | 4/29
7-9 PM | GPA Room GP142
Instructor: Jan Johnson, CFP®

Estate Planning: How to Protect Your Family and Finances
You may think that drafting an estate plan is straightforward, but in reality, if you make mistakes, you could jeopardize everything you’ve worked for. Just because you have a Will or Trust does not necessarily mean that you have “all the bases covered.” Learn about the difference between a Will and a Trust. Why isn’t a Will sufficient in itself? Do you need a power of attorney? We will share real-life stories that show you the dangers of common estate-planning mistakes. Failing to fund or revoke a Living Trust, using ambiguous provisions, titling assets improperly, and not updating beneficiary designations are just some of the mistakes to avoid.

Informational booklet is included with the course fee.

Planning for Long-Term Care: Understanding Medicaid and How to Protect Your Assets

Should you give your home to your children? How can you get the state to pay for nursing home and home care costs? How do single individuals and married couples qualify for Medicaid benefits, while keeping their assets and protecting their children’s inheritance? Is long-term healthcare insurance a good idea? Get the answers to these questions and a lot more. If you know the rules and plan ahead, you can still protect your hard-earned assets. Informational booklet is included with the course fee.

Understanding Trusts: Are They Right for You?

You’ve heard about trusts, but what exactly are they, and what do they do for you? You’ve also likely heard about the different types: Revocable, Irrevocable, Special Needs, Testamentary. In a nutshell, a trust is an ownership system between three people—a person who gives a second person the legal right to hold money (or other assets) for the third person who receives the money. Simple, right? Well … there’s a little more to trusts than just that! In this course we’ll explain how trusts are created, explain the different types of trusts, and go over who you should choose to participate. You’ll leave knowing how to use trusts to accomplish the following: minimize and/or avoid taxes; protect assets and keep public benefits for loved ones with special needs; and avoid probate court. Whether you are new to trusts, or even understand them well, you’ll understand how to use these powerful planning tools to your advantage. Informational booklet is included with the course fee.

Strategies for Couples to Maximize Social Security Benefits

If you’re approaching retirement, and not currently collecting Social Security, one of the most important elements of your retirement planning is understanding how Social Security works. Identifying which option will provide the best combination of current and future income for you and your spouse can be an arduous task. Topics will include how to quickly and easily sort through 700 possible filing combinations; methods to increase your benefits and provide thousands more in retirement income; how coordination of benefits will help you and your spouse obtain the highest level of retirement income; and why the Senior Citizens Freedom to Work Act allows recipients to begin receiving benefits while their own benefits continue to grow!

Don’t Worry, Retire Happy: 7 Steps to Financial Security

Based on Tom Hegna’s financial seminar, “Don’t Worry, Retire Happy©,” our expert instructor will simplify your retirement planning in uncertain times, while addressing two key questions: “What do I need my retirement income to do?” as opposed to “What do I want my retirement income to do?” You will learn what successful retirees do differently, and how to create a trouble-free plan for retirement and avoid living in an uneasy mind-set. You will also learn how to fill income gaps with “Paychecks” and “Playchecks” in order to have the freedom to enjoy retirement, plus much more information.

Personal Trainer VA-Post 9/11 Approved
• The World Instructor Training School’s (W.I.T.S.) certification course is taught at colleges across the country. W.I.T.S. was recently certified by the National Commission for Certifying Agencies (NCCA). This challenging course is comprised of 15 hours of classroom lecture and 15 hours of practical training. The National Exam for the written and practical components is held on the final week. More information is available on their website: www.witseducation.com. Students are allowed to miss only one class and still be able to sit for the exam. A 200-page student workbook is included with the course fee.

• NEW! Upon passing this course, students now qualify for two Certification Levels (exam vouchers included):

  Level 1 Certified Personal Trainer (CPT) - Pass both Written and Practical Skills exams, and provide proof of CPR/AED certification before exam. Certificates are issued after the exams, and students can start working immediately;

  Level 2 Certified Personal Trainer (CPT) - Level 1 CPT plus the completion of a 30-hour internship (more information to be given in class by the instructor). No extra cost to obtain Level 2;

• Lecture topics include anatomy, exercise physiology, nutrition, and health screening;

• For the Fitness Center sessions, students must wear appropriate workout clothes and non-marking athletic shoes. Please also bring a combination lock in order to store your personal belongings during these workout sessions, and a lunch;

• Required textbook, Fitness Professional’s Handbook, 7th edition (ISBN 9781492523376), is available at MCC Bookstore for approximately $100. The textbook should be purchased in advance and the following chapters read prior to the first class: 1, 2, 3, 6, 7 & 26;

• This course is approved for 6 continuing education units (CEUs) by the American Occupational Therapy Association (AOTA); 16 CE hours by the National Certification Board for Therapeutic Massage & Bodywork (NCBTMB); and 6 CEUs by the International Association of Continuing Education and Training (IACET). You may contact WITS after completing the course to obtain your credential for CEUs or you may present your WITS certificate directly to your accrediting organization to confirm your CEUs;

• Please note: This course requires a high degree of commitment to successfully complete.

Cardio Kick-Boxing Workout

Take the excitement, music and energy of an aerobics program and learn self-defense techniques in an action-packed workout. No prior experience needed; participants of any level can attend any class. The usual routine begins with warm-ups and stretching before the cardiovascular segment, when you’ll learn and execute basic punching and kicking moves to increase your heart rate, then work on a wave masters punching bag, and conclude your workout with abdominal work and cool-down exercises. Because these are continuous classes, beginning students follow along with the routine and learn from watching the instructor and other more experienced students. There is no person-to-person contact. No uniform is required. Please wear appropriate workout clothes. You must be at least 16 years old. Please note: All classes meet at the Academy of Martial Arts & Personal Development, 1404 Tolland Turnpike, Manchester.

12 sessions - Choose from any combination of the following schedules:

CRN 11059 | Fee: $45
Mondays & Wednesdays | 1/13-2/26 (does not meet 1/20 & 2/17) | 5-6 PM or 7-8 PM
Tuesdays & Thursdays | 1/14-2/20
9:30-10:30 AM or 6:10-7:10 PM
Saturdays & Sundays | 1/18-2/23 | 9-10 AM

12 sessions - Choose from any combination of the following schedules:

“When you feel like quitting think about why you started.”

Self-Defense despite Size or Strength: The Power of Hapkido

The hallmark of Hapkido is being able to defend yourself against larger and stronger adversaries. Burn calories, build muscles, develop coordination and confidence, relieve stress, and promote your general health, while having fun and learning to defend yourself and your loved ones. This course for adults 18-50 years of age requires no prior experience. Students join continuously running classes, so beginners follow along with more experienced students. Course fee includes a martial arts uniform. Please note: All classes meet at the Academy of Martial Arts & Personal Development, 1404 Tolland Turnpike, Manchester.

CRN 11125 | Fee: $45
12 sessions | Mondays & Wednesdays
4/13-5/20 | 7-8 PM
Instructors: Joel S. Waldron, 7th Degree Black Belt; and other Academy instructors

Tai Chi for Health and Relaxation

You will learn simple chi kung (breathing exercises) and a basic tai chi form by the end of the course. Please note: You may attend any of the sessions listed below, and in any weekly sequence, in order to fulfill your 12 sessions by the end date. It will be your responsibility to make sure that you are able to adjust your schedule in order to attend 12 sessions. The instructor will monitor each student’s weekly attendance. Students should wear loose, comfortable clothes and thin-soled shoes to all classes. Practice clothing and shoes are also available for purchase.

Please note: All classes meet at Malee’s School of Tai Chi & Kung Fu, 249 Broad Street, Manchester.

12 sessions - Choose from any combination of the following schedules:

CRN 11127 | $160
Tuesdays & Thursdays | 2/25-4/2 | 5:30-6:30 PM
Wednesdays | 2/26-4/1 | 7:30-8:30 PM

Saturdays | 4/18-5/16 | 9-10 AM
Instructor: Malee Khow, 8th Degree Black Belt

Connecticut Basic Boating

The course provides a diploma that is necessary for obtaining the Connecticut Certificate of Personal Watercraft Operation, which covers the operation of both boats and personal watercraft. The instruction also includes the newest requirement for towing skiers and tubes and operating recreational vessels up to 65 feet in length, including jet skis. Students age 12 and up to adults are welcome. Please note: Students must attend all sessions in order to earn a diploma. Upon successful completion of the course, students can purchase and print the certificate online from home, or mail or deliver the diploma to any State DEEP office. The DEEP license fee is $50. The Certificate is a one-time, lifetime certification. Students should obtain a State Conservation ID number online before the start of class. This process is free, and if you have a hunting or fishing license, then you already have a number. The website for obtaining a number is www.ct.wildlifelicense.com/internetsales.

**Languages**

**Japanese for Beginners**
This course is for high school students and adults who have no prior exposure to Japanese. In this course you will learn how to read and write hiragana (a set of symbols to spell Japanese words) and katakana (a set of symbols to spell foreign words), give greetings, use basic everyday phrases, and ask and answer simple questions on a variety of topics, such as self-introductions, favorite foods, personal interests, and hobbies. Japanese culture will be introduced throughout the classroom activities. Course materials, provided by the Japan Society of Greater Hartford (JSGH), are included.

CRN 10852 | Fee: $130  
6 Tuesdays | 3/24-4/28  
6-8 PM | GPA Room GP142  
Instructor: Atsuko Balon

**Introduction to Chinese**
Students will learn conversational Chinese, including vocabulary, grammar, greetings, weather, time, and number expressions. While the class will provide a brief introduction to written Chinese, the course will focus more on developing students’ speaking and listening skills. Aspects of Chinese culture will be studied through movies, music, and food. After taking this class, students will be able to demonstrate a beginning level to understanding Chinese culture and be able to present themselves in a culturally appropriate way in Chinese-speaking communities. Instructional material will be provided by the instructor. Optional recommended text: Integrated Chinese (Simplified Characters Edition), Level I, Part I, Cheng & Tsui (ISBN 9780887276385), available at local or online bookstores for approximately $50.

CRN 10859 | Fee: $170  
8 Saturdays | 1/25-3/21 (does not meet 2/15)  
9-11 AM | AST Room C203  
Instructor: Joy Ann Tso, M.A.

**French for Beginners**
Learn the basic elements of the French language quickly and effectively, and begin speaking in the very first class. While learning pronunciation and basic grammar, you will soon be able to introduce yourself and your family, talk about hobbies and interests, learn numbers, tell time, talk about the weather, and many other fun and useful topics. Required text: French is Fun, Book 1 (ISBN 97815131100285), Stein & Wald, available at MCC Bookstore for approximately $25.

CRN 10881 | Fee: $185  
7 Mondays | 1/27-3/16 (does not meet 2/17)  
6-8 PM | GPA Room GP142  
Instructor: Marianne Labergerie, M.S., M.B.A.

**Introduction to Chinese II**
Designed for students who have taken Introduction to Chinese or have prior Chinese learning experience, this class will help students further develop their skills in speaking, listening, reading and writing. Students will learn more advanced grammar and vocabulary, which will allow them to express their thoughts and be able to have more complicated conversations with native speakers. Chinese culture, such as food, movies, and overall ideology, will also be discussed. The material will be provided by the instructor. Optional recommended text: Integrated Chinese (Simplified Characters Edition), Level I, Part I, Cheng & Tsui (ISBN 9780887276385), available at local or online bookstores for approximately $50.

CRN 10860 | Fee: $170  
8 Saturdays | 3/28-5/30  
9-11 AM | AST Room C203  
Instructor: Joy Ann Tso, M.A.

**French for Beginners II**
In this continuation of French for Beginners, or for anyone with prior French language experience, students will further their learning of grammar, listening and speaking skills. We will also learn types of clothing, body parts, days of the week, months of the year, dates, weather, sports, and music. The course will continue with the same required textbook used in the introductory course: French is Fun, Book 1 (ISBN 97815131100285), Stein & Wald, available at MCC Bookstore for approximately $25.

CRN 10882 | Fee: $185  
7 Mondays | 3/23-5/4  
6-8 PM | GPA Room GP142  
Instructor: Marianne Labergerie, M.S., M.B.A.

**Introduction to Spanish**
Learn basic conversational Spanish grammar and vocabulary, including greetings, formal vs. informal language and when to use each; the alphabet and pronunciation; and other fundamentals. Simple sentence structures will be taught and practiced. The goal of this course is focused more on conversational skills than memorization of grammatical rules. Some aspects of the Spanish culture will also be discussed. An English/Spanish dictionary is recommended. The instructor provides instructional material, which may be uploaded on a USB drive. It is strongly recommended that students bring a flash drive to class.

CRN 10875 | Fee: $225  
8 Thursdays | 2/13-4/2  
7-9 PM | GPA Room GP142  
Instructor: Raul Moeremans, M.A.

**Advanced German**
For students who have completed Beginning German I and II, or if you have a year or more of college-level German language study, this course includes intermediate/advanced grammar and a variety of activities in German, such as stories, news, movies, poems, and music. Information about the recommended textbook, for approximately $40, will be provided at the first class.

CRN 10864 | Fee: $199  
8 Tuesdays | 3/3-4/21  
7-9 PM | GPA Room GP136  
Instructor: Dorothea Glatte, B.A., M.R.E.

MUSIC

HISTORY OF THE BLUES AND THE ROOTS OF AMERICAN MUSIC

NEW Last of the Mississippi Jukes
Directed by Robert Mugge, this 2003 music documentary, explores the fading traditions of rural Mississippi juke joints—a juke joint being the vernacular term for a bar featuring music and entertainment, primarily operated by African Americans in the southeastern United States. The film focuses on two well-known Mississippi blues venues: the legendary Subway Lounge which, for three decades, operated in the basement of the historic, black-owned Summers Hotel in Jackson, Mississippi, and the Ground Zero Blues Club, co-owned by actor Morgan Freeman, in Clarksdale, Mississippi. The film features live footage of many of present-day blues musicians who are still trying to keep the juke joint tradition alive. The film is an excellent complement to the instructor’s four-week course, History of the Blues and The Roots of American Music.

CRN 10978 | Fee: $10
1 Monday | 5/11
7-9:30 PM | VIL 6 Room V162
Instructor: Stephen Armstrong, M.A.

NEW Can’t You Hear the Wind Howl?: The Life and Music of Robert Johnson
This ambitious combination of dramatic reconstruction and traditional documentary provides illuminating insight into the life and music of legendary bluesman Robert Johnson. Narrated by Danny Glover and featuring Keb’ Mo playing the role of Johnson, the film creates a unique “docudrama” genre by presenting well-researched information with dramatic impact. Including interviews with bluesmen who knew Johnson personally, such as Johnny Shines, Robert Lockwood Jr., and Honeyboy Edwards, the film is an excellent complement to the instructor’s four-week course, History of the Blues and The Roots of American Music.

CRN 10979 | Fee: $10
1 Monday | 5/18
7-9:30 PM | VIL 6 Room V162
Instructor: Stephen Armstrong, M.A.

NEW History of the Blues and the Roots of American Music
The blues is a true American musical treasure: it had its roots in the Mississippi delta, spread to northern American cities as African Americans moved north, had a huge influence on rock ‘n roll, and is still a vibrant musical form today. We’ll analyze the meaning and appeal of blues music and why it has remained popular for 100 years, while examining the music of influential bluesmen, including Robert Johnson, Muddy Waters, and Eric Clapton, and influential blueswomen, such as Bessie Smith, Memphis Minnie, and Bonnie Raitt. We’ll consider how some blues songs express tremendous suffering, while other blues songs express tremendous joy. As Muddy Waters famously sang, "The blues had a baby and they named it rock and roll"; we’ll additionally analyze how that transition took place.

CRN 10977 | Fee: $60
4 Wednesdays | 4/15 5/6
7-9 PM | VIL 6 Room V162
Instructor: Stephen Armstrong, M.A.

Beginning Piano
Participants will begin to learn how to play piano pieces and how to read and write music. Music theory and ear training will be integrated through an adult-focused, hands-on approach. Attention is given to use of electronic keyboards for those who have them. Enrollment is limited, so please register early. If you need to rent an instrument or have a question about your skill level, please contact the instructor by leaving a message with Continuing Education at 860-512-2800. Required text: Alfred’s Basic Adult Piano Course, Level One (ISBN 9780882846163), available at MCC Bookstore for approximately $11.

6 Saturdays | 2/29 4/4
10 AM-Noon | VIL 2 Room V117
Instructor: Ruth O’Neil, M.Ed.

Harmonica for Beginners
The versatile harmonica is suitable for many musical genres. Students will learn an introduction to basic music theory, how to play a scale, and breathing techniques on the harmonica. It is recommended that students buy a G harmonica (not the chromatic type), and plan to spend at least $30. Students with questions about which harmonicas to buy may call the instructor at 860-659-8992. Students age 12 and older are welcome.

CRN 10972 | Fee: $65
4 Wednesdays | 5/6 5/27
8:15-9:15 PM | GPA Room GP139
Instructor: Don Donegan, Professional Musician
Beginning Guitar
By learning five chords and several strumming techniques, you can play dozens of familiar tunes in folk, rock, country, R&B, and pop styles. Instructional handouts and music sheets with words and chords are provided. Learn tuning, transposition, capo-use, and receive an introduction to basic music theory. Students age 12 and older are welcome. Please bring your acoustic or electric guitar to all classes. Handouts are provided.
CRN 10970 | Fee: $190
8 Wednesdays | 4/8-5/27
6:30-8 PM | GPA Room GP139
Instructor: Don Donegan, Professional Musician

Playing the Ukulele
This small, four-stringed instrument is the hippest thing going! This introductory course will focus on easy chords and simple tunes, and provide a foundation for future playing and entertaining. Music will be taught using chord charts. Students are expected to bring their own instrument. Required textbook: Mel Bay's You Can Teach Yourself Ukulele (ISBN 9780786689811), available at MCC Bookstore for approximately $15.
CRN 10968 | Fee: $70
4 Mondays | 2/24-3/16
7-9 PM | GPA Room GP139
Instructor: James Hammitt

The Magic of Fingerstyle Guitar
Fingerstyle, or finger-picking guitar playing, is a wonderfully flexible technique that can be applied equally to rock, folk, new age, classical, flamenco, Latin and jazz styles. Learning this creative approach of fingerstyle playing will allow you to perform at a higher level. Whether your focus is on Bach or Hendrix, you will learn how finger-picking techniques apply to steel, nylon stringed instruments, and electric guitars. Required text: Basic Guitar Writing Book (ISBN 1890281131), Santorella, available at MCC Bookstore, for approximately $7. Prerequisite: Beginning or Continuing Guitar, or some guitar playing experience.
CRN 10980 | Fee: $140
6 Mondays | 3/9-4/13
7:15-8:45 PM | GPA Room GP126
Instructor: David Giardina, B.A.

Intermediate Strings: Violin, Viola or Cello
For students who have completed Beginning Strings with ease. If you need to rent an instrument or have a question about your skill level, please contact the instructor by leaving a message with Continuing Education at 860-512-2800. Students should also bring a music stand. Recommended textbook: Essential Elements 2000, Book 2 for Violin, Viola, or Cello, Hal Leonard Publishing, available at your local music store, for approximately $10.
CRN 10884 | Fee: $150
12 Saturdays | 2/1-4/11
9:45-10:45 AM | GPA Room GP214
Instructor: Martha Hayes, M.A.

Advanced Strings: Violin, Viola or Cello
This course is a continuation of Intermediate Strings, or for any student with previous experience playing a string instrument on all four strings in the major keys of D, G, and C. We will play more in flat keys and minor keys, and incorporate more complicated rhythms, bowing, and meters. We will also start to explore shifting 3rd and 2nd positions. A portion of each class will be devoted to ensemble performance. Students should also bring a music stand. Recommended textbook: Essential Techniques (Violin, Viola, or Cello), Hal Leonard Publishing, available at your local music store, for approximately $8.
CRN 10885 | Fee: $150
12 Saturdays | 2/1-4/11
12:15-1:15 PM | GPA Room GP214
Instructor: Martha Hayes, M.A.

Beginning Strings: Violin, Viola or Cello
This course is for high school students and adults who have not played the instrument before. Learn the basic technique for playing violin, viola or cello, a few traditional tunes, a beginning fiddle tune, and how to care for your instrument. This beginner's course promises to be fun and supportive. If you need to rent an instrument, please contact the instructor by leaving a message with Continuing Education at 860-512-2800. Students should also bring a music stand. Recommended textbook: Essential Elements 2000, Book 1 for Violin, Viola, or Cello, Hal Leonard Publishing, available at your local music store, for approximately $10.
CRN 10883 | Fee: $150
12 Saturdays | 2/1-4/11
(does not meet 2/15 & 4/11)
9:45-10:45 AM | GPA Room GP214
Instructor: Martha Hayes, M.A.

Acoustic Folk Rock for Guitar
Learn strumming and fingerstyle techniques played by the likes of Paul Simon, Bob Dylan, Joni Mitchell, The Eagles, The Beatles, America, Crosby, Stills & Nash, Jose Feliciano, and others. Broaden your musical range and technical ability! Music will be in tab with chord symbols and suited for any level above beginner. Handouts will be provided.
CRN 10981 | Fee: $140
6 Tuesdays | 3/10-4/14
7:15-8:45 PM | GPA Room GP126
Instructor: David Giardina, B.A.
NEW "I've Been to the Mountain:"
Five Key Events in the Life of
Dr. Martin Luther King, Jr.

It is difficult to judge which of the Rev. King, Jr.’s many accomplishments head the list, given the extraordinary arc of his relatively short life. From “Letter from Birmingham Jail” to his “I Have a Dream Speech,” King, Jr.’s spoken and written words had a tremendous impact on American society and continue to resonate into the 21st century. This program will examine several crucial events in light of the legacy of this extraordinary American. The instructor will provide handouts.

CRN 10803 | Fee: $6
1 Friday | 1/17
Noon-1:30 PM | AST Room E202
Instructor: David Garnes, M.A., M.L.S.

NEW How to Reduce Stress and Live a Healthier Life!

Today, virtually everyone lives with some form of stress. Yet, most people don’t realize how profoundly stress can affect their health. 43% of all adults suffer stress-related adverse health effects. Stress is harmful to our bodies. It increases our risk for sleep disturbances, anxiety, muscle pain, abdominal obesity, poor immune system function, diabetes, and heart disease. However, there are solutions. This class will help you understand the sources of stress in your life and what you can do to manage them. You will better understand the effects of stress and learn steps to remove its causes for a healthier lifestyle.

CRN 10804 | Fee: $6
1 Friday | 1/24
Noon-1:30 PM | AST Room E202
Instructor: Marie Mammone, N.D.

NEW The Saxophone in the Holocaust:
Viktor Ullmann’s Slawische Rhapsodie

Of the nearly six million people murdered in the Holocaust, many were artists, musicians and composers. Among the many talented composers who were sent to the Terezín concentration camp, Viktor Ullmann was one. Ullmann published three separate articles advocating for the use and advancement of the saxophone throughout the 1920’s and 1930’s. Instructor will be using the writings of Ullmann, research done by Ullmann scholars along with his own findings to help tell Ullmann’s story.

CRN 10805 | Fee: $6
1 Friday | 2/7
Noon-1:30 PM | AST Room E202
Instructor: Perry Roth, M.M.

NEW Ireland: Land of Saints and Scholars

This course will cover Irish Christianity from 400 to 1,000 AD. We will learn about early Irish saints and the island’s conversion to Christianity, the spread of Irish scholars throughout Europe, the power of the monasteries, the development of illuminated manuscripts, and the deep imprint that Ireland made on the rest of the world.

CRN 10814 | Fee: $6
1 Friday | 2/21
Noon-1:30 PM | AST Room E202
Instructor: Mary Carchrie, M.A.

NEW How Stories Work

Who doesn’t love a good story? The best ones offer insights into our humanity and show us maps for navigating life’s challenges. But why do some stories stick with us forever while others fall by the wayside? Join us for a look at how stories attract and keep our attention and the role they play in our everyday experiences. We’ll explore the physiological and emotional effects that stories have on us. Using examples from film and literature, we’ll discuss story structure, characters and themes. You’ll leave this class with the tools to appreciate and tell meaningful stories.

CRN 10802 | Fee: $6
1 Friday | 2/28
Noon-1:30 PM | AST Room E202
Instructor: Michael Selissen, M.S.

NEW Making Sense of Contemporary Art

The invention of photography was one of the most important cultural and artistic events of the nineteenth century. This presentation will help you to reexamine how photography and impressionism gave birth to contemporary artists like El Anatsui, Martin Creed or Felix Gonzalez-Torres among others. Come ready to expand your artistic horizon

CRN 10815 | Fee: $6
1 Friday | 3/6
Noon-1:30 PM | AST Room E202
Instructor: Adrian Panaitisor, B.S., B.F.A.
NEW Natural Support for Brain Health

Young and old need to support the health of their brains. Whether you are 25 or 75, it’s always a good time to think about ways to keep your mind healthy. People with strong minds live a richer and more fulfilling life. There is no “magic pill” for your brain. It is part of a whole ecosystem that includes your body and all your surroundings. Your brain is only 2 percent of your bodyweight, yet consumes 20 percent of the body’s glucose. How to feed and care for it? This class will help you learn lifestyle recommendations, dietary tips and nutrients that will support your brain health.

CRN 10807 | Fee: $6
1 Friday | 3/13
Noon-1:30 PM | AST Room E202
Instructor: Marie Mammone, N.D.

NEW Walt Whitman: Father of Modern American Poetry

Walt Whitman, along with Emily Dickinson, is the most influential of American poets. Whitman broke with literary tradition to create a vibrant, unconventional poetry reflecting the energy and optimism of the emerging New World democracy. Focusing on his poetic technique, this program will include in-depth readings and excerpts of a few of his most celebrated poems as well as discussion of his impact on succeeding generations of writers. The instructor will provide handouts.

CRN 10806 | Fee: $6
1 Friday | 3/20
Noon-1:30 PM | AST Room E202
Instructor: David Garnes, M.A., M.L.S.

NEW Need a Mid-Year Resolution? Stocks on Sale

Are you curious about how investors, speculators, hedge funds, and mutual funds might get a bargain on stock purchases? I thought so. Let’s explore three ways to possibly reduce the cost of stock and at the same time reduce the risk of a total stock investment loss. In the best of circumstances a stock might cost little or nothing to own. You might be familiar with one way already: dividends. The other two are put and call options. Instructor provides handouts.

CRN 10956 | Fee: $6
1 Friday | 4/3
Noon-1:30 PM | LRC Room B144
Instructor: Steven Bloom, M.Ed.

NEW The Prophets of Old

Ezekiel and the valley of dry bones, Daniel in the lions’ den, and Jonah and the great fish that swallowed him up. Who were these people, and what writings did they leave behind? This class will cover prophets, prophecy, and prophetic books of the Bible from a nonsectarian perspective. Instructor will provide handouts.

CRN 10816 | Fee: $6
1 Friday | 5/8
Noon-1:30 PM | AST Room E202
Instructor: William Marut, M.B.A.

NEW “Sitting on the Sofa with a Sister or Two” : An Unstuffy Look at Beatles Lyrics

The Beatles, of course, revolutionized rock music. But their lyrics aren’t too shabby, either. In fact, the Beatles words are still unmatched for wit, charm, boldness and downright poetic brilliance. Each one wrote music with the mentality that it was poetry, not just a pop-culture marketing tool, and worked hard to perfect the words of each song. This transformed them from pop-culture icons to literary figures worthy of scholarly research. This is a class that’s “guaranteed to raise a smile.”

CRN 10943 | Fee: $6
1 Friday | 5/15
Noon-1:30 PM | AST Room E202
Instructor: John Surowiecki, M.A.

NEW 1939: Hollywood’s Greatest Year

Critics generally agree that the so-called Golden Age of Film reached its zenith at the very end of the 1930’s. Movies such Gone with the Wind, The Wizard of Oz, Goodbye Mr. Chips, Stagecoach, Wuthering Heights, and The Hunchback of Notre Dame, all released in 1939, filled the movie palaces of every American city and town. Viewing clips from these and other memorable films, we will examine the studio/star system that made “going to the movies” America’s favorite form of entertainment. The instructor will provide handouts.

CRN 10832 | Fee: $6
1 Friday | 5/29
Noon-1:30 PM | AST Room E202
Instructor: David Garnes, M.A., M.L.S.

ATTENTION:
All Credit-Free Instructor Biographical Notes are listed at the back of the catalog.
Cholesterol: Friend or Enemy?
The most common drugs currently prescribed for “high cholesterol” are called statins, and they represent a $29 billion business worldwide. The medical claim that lowering LDL is beneficial in fighting cardiovascular disease (CVD) is contradictory to the research and results that we have seen for the past 10 years. It may not be in your best interest to lower your cholesterol levels! Many studies show that people with high cholesterol live longer and have fewer heart conditions than those with low cholesterol and that high cholesterol does not predict all causes of mortality. More to the point, to prevent potential cardiovascular disease, it is essential to lower your exposure to oxidation and inflammation. Learn the facts about cholesterol, heart health and how to stay healthy.

CRN 11117 | Fee: $25
1 Thursday | 4/30
7-9 PM | GPA Room GP137
Instructor: Marie Mammone, N.D.

Fact versus Fiction: What Foods Are Right for You?
If you’re totally confused by the mountains of information, pro and con, about the many diets in the news today, maybe it’s time you got some straight information. This informative class, taught by a naturopathic physician, will allow you to do just that. Learn what a non-inflammatory diet is and whether the foods popular in today’s culture fit the bill. Learn what carbohydrates are really all about and whether any can be termed “good carbs.” Find out which protein is helpful to your health; how much fiber your diet should include; and which fats are needed for a healthy body. Once you separate fact from fiction, you’ll be well on your way to a healthier you.

CRN 11116 | Fee: $25
1 Thursday | 4/23
7-9 PM | GPA Room GP214
Instructor: Marie Mammone, N.D.

Eat Gluten-Free and Dairy-Free with Ease and Enjoyment
Does the idea of eating gluten-free and/or dairy-free conjure up images of tasteless cardboard? With many foods being naturally gluten-free and dairy-free, there are thousands of appetizing ingredients to choose from. Try to imagine all the different foods in the world and then subtract just four of them. Gluten is found in only three grains: wheat, barley and rye. And dairy is only found in milk. Eating without gluten and dairy is more about what you do eat than what you don’t. There are those who eat this way to be trendy but there are others who must eliminate gluten or dairy for health reasons. Whichever way your decision leans, the transition into gluten-free and/or dairy-free eating can be tricky, so join us for this informative discussion and Q&A. Please note: This course is lecture-only; there is no cuisine component to the session.

CRN 11131 | Fee: $15
1 Monday | 1/27
7-8:30 PM | SSC Room L142
Instructor: Rebecca Brown, B.S.

PHOTOGRAPHY

Digital Camera Introduction

Learn the fundamentals of digital photography using a consumer-model digital camera. All aspects of the digital camera will be discussed, including how to use the lens, viewfinder, focus, aperture, shutter, digital file formats, and image storage, as well as how to work in a photo editing program. We will learn how to import and save photographs, methods of color correction, enhancement, how to size and prepare images for print and the web, and also compare popular digital camera models. It is not necessary to own a digital camera, but if you do, please bring it along with your instruction manual. Prerequisite: Basic Windows, keyboarding and mouse skills.

CRN 11047 | Fee: $105
2 Fridays | 3/20-3/27
6-9 PM | AST Room D211
Instructor: Richard Hoyer, M.A.

Using Your Digital SLR

This class will focus on the specifics of using a digital SLR and will answer many of the questions on how to get the most out of your new camera. Topics will include choosing the proper file format and resolution; compression; lenses; white balance; color space; exposure compensation; saturation; and contrast controls. Classroom presentations and hands-on experience will help you to learn about your camera and the use of the RAW file format. The class will also use Adobe Photoshop to demonstrate downloading images and processing RAW file formats, as well as learning essential tools for processing digital photographs. Please bring your digital SLR camera to class.

CRN 11052 | Fee: $105
2 Fridays | 1/24-1/31
6-9 PM | AST Room D211
CRN 11053 | Fee: $105
2 Fridays | 4/24-5/1
6-9 PM | AST Room D211
Instructor: Richard Hoyer, M.A.

Advanced Digital SLR

Advanced photographic topics relating to digital SLR’s will include: improving images with Adobe Photoshop CC; focusing on exposure and image quality-control in a variety of challenging lighting situations, including creative use of on-and off-camera flash units; color correction; masking techniques; nondestructive editing; and using Adobe Photoshop CC to explore the digital imaging workflow. Some elements of Adobe Camera RAW will also be covered. You must bring your digital SLR camera to class. Prerequisite: Using Your Digital SLR is highly recommended.

CRN 11054 | Fee: $55
1 Friday | 2/7
6-9 PM | AST Room D211
CRN 11055 | Fee: $55
1 Friday | 5/15
6-9 PM | AST Room D211
Instructor: Richard Hoyer, M.A.

Digital Macro Photography

Using a macro setting to take great close-up macro photographs with your digital camera is only the beginning. In this workshop, we will look at the various options that digital photographers have for exploring the world of macro photography. What is a macro lens? Which cameras come with the best macro lens? How do you use a macro lens? Through demonstration and hands-on, in-class practice, you will receive answers to these questions and learn the fundamentals of macro photography.

CRN 11051 | Fee: $55
1 Friday | 4/17
6-9 PM | AST Room D211
Instructor: Richard Hoyer, M.A.

Throwing Light on the Subject

This course will cover basic lighting techniques, starting with three-point lighting, and then progressing to more complex and creative schemes. We will address how to: modify light using umbrellas, barn doors, reflectors, gels, and cookies; use a handheld light meter; understand color temperature; and operate a camera on the manual setting. Volunteers from the class will act as models, and objects brought in by the instructor will be used for still-life shots. We will use tungsten lights, instead of strobes, for this class, so that the whole class can shoot at the same time. Each student will have a chance to design lighting setups using both a model and various objects, and to take lots of photos. A handout covering the information presented in class will be distributed. Please bring your digital camera, with a charged battery. Also, if you have, please bring: extra batteries, camera cards, a tripod, and a cable release. All skill levels are welcomed.

CRN 11048 | Fee: $75
2 Saturdays | 2/1-2/8
10 AM-1 PM | SSC Room L142
Instructor: Peter Glass, M.A.

Stock Photography for Fun and Profit

Learn how to use your photographic skills to make money through stock photography. Stock photographers shoot a variety of images and place them with stock agencies who then market them to magazines, advertising firms, and textbook companies all around the world. All aspects of the stock photography business will be covered. Topics will include determining what kind of images sell and don’t sell; creating a catalog of your pictures; working with metadata; and determining which specific stock agencies are best suited for your photos. Learn how to tap into this potentially lucrative source of extra income!

CRN 11049 | Fee: $75
2 Thursdays | 2/20-2/27
6-9 PM | GPA Room GP143
Instructor: Peter Glass, M.A.

CAREER OPPORTUNITIES

Security Guard

Have you ever thought about becoming a security officer? Connecticut requires security officers to complete this 8-hour certification course, taught by a State-certified instructor. Topics include basic first aid, search and seizure, use of force, basic criminal justice, and public safety issues. The course finishes with a one-hour examination that students must complete with a passing score of 70 or better. Successful candidates will be given in-class instructions of how to apply and pay for their Security Officer Identification cards. CT law states that no person shall be approved for a license who has been convicted of a felony, any sexual offense, or any crime involving honesty or integrity. To be employed as a Security Officer you must be at least 18 years of age.

Please note: Students will be required to submit 2 sets of fingerprints, 2 photographs, and a Security Officer application, in addition to the course completion card, when they submit their State application after the course.

Additional fees to the course: 5-year ID Card - $100; CT Background Check - $75; Federal Background Check - $12; Fingerprinting Fee: $15.

- CRN 11140 | Fee: $130

  8:30 AM-5 PM | SSC Room L142
  Instructor: Richard Siena, A.S.,
  CT Police Academy Graduate

COUGAR PANTRY

The Cougar Pantry and Career Clothing Closet is open to all MCC students, faculty and staff in need, and can provide emergency bus passes (10-ride, once per semester), food, clothing, and Cougar Café vouchers for members of the MCC community.

The Cougar Pantry is located in SSC L149 and is open during the following hours:

- Monday - Thursday 9 AM - 4 PM
- Friday 10 AM - 3 PM
- Or by appointment: call 860-512-3283
REAL ESTATE BROKER PRINCIPLES AND PRACTICES

This required course for obtaining a CT broker's license will cover the following topics: office management, including organizational structure, human resources (recruiting, training, termination or transfer of salespersons, independent contractor agreements, and risk management), and business policies and procedures; business concerns, including market analysis, financing, and marketing and advertising; Legal Issues, including referral fees, working with attorneys and lenders, broker's lien, property management, land use, and closings; and math concerns, including related calculations and test preparation. Application fee of $65 is not included with this course. **Students must complete all 15 hours to receive a certificate of completion.** This course is approved for 15 Continuing Education hours by the CT Real Estate Commission. Students should bring a snack to class. Handouts are provided; no textbook is required. Prerequisite: It is recommended that only those students who are close to fulfilling the prerequisites for the State of Connecticut Real Estate Broker Exam take this course. Please refer to the Department of Consumer Protection (DCP) website for more details about these prerequisites: www.ct.gov/dcp.

CRN 11074 | Fee: $240
3 Saturdays | 1/25-2/8
8:30 AM-1:30 PM | GPA Room GP137
Instructor: Lynette Mendoza Villa, J.D.

Real Estate Broker Legal Compliance

This required course for obtaining a CT broker’s license will review the major State real estate regulations and general statutes that brokers must know, understand and follow in order to comply with CT real estate practice and run a real estate business. Detailed explanations, interpretations, case law, and tips will be provided to help students grasp the complex language and concepts of CT real estate law. A must course for realtors preparing for the broker’s exam or for those brokers who want to stay current. Application fee of $65 is not included with this course. **Students must complete all 15 hours to receive a certificate of completion.** This course is approved for 15 Continuing Education hours by the CT Real Estate Commission. Students should bring a snack to class. Handouts are provided; no textbook is required. Prerequisite: It is recommended that only those students who are close to fulfilling the prerequisites for the State of Connecticut Real Estate Broker Exam take this course. Please refer to the Department of Consumer Protection (DCP) website for more details about these prerequisites: www.ct.gov/dcp.

CRN 11075 | Fee: $240
3 Saturdays | 2/22-3/7
8:30 AM-1:30 PM | GPA Room GP137
Instructor: Lynette Mendoza Villa, J.D.

Real Estate Principles and Practices

This required course for real estate licensing provides clear explanations of modern real estate practices and a working knowledge of real estate in Connecticut. Property owners, buyers, sellers, and anyone interested in pursuing real estate careers or operations will find this course beneficial and rewarding. **Students must attend at least 60 hours (excluding the in-class exam) and pass the course with a score of 70 or higher in order to sit for the State exam.** The Salesperson Application fee of $80 and the State Exam fee of $65 are not included with this course. Please note that your certificate will be printed with your name as it appears on your registration form. Required texts: *Modern Real Estate Practice*, 20th edition (ISBN 9781475463729) and *CT Real Estate Practice and Law*, 14th edition (ISBN 97814754446753), as well as a strongly recommended text, *Questions & Answers... Real Estate Exam* (ISBN 97814754224812), Dearborn Publishing, available at MCC Bookstore for approximately $100 (for all three books).

Real Estate Salesperson

• Principles and Practices of Real Estate

• 15-hour course in Legal Compliance and Principe and Practices (30 hours)

• Two 15-hour approved electives, or one 30-hour pre-license Appraisal course, or evidence of successfully completing at least 20 real estate transactions in the previous five years. This requirement defines a real estate transaction as a legal transfer of real property or execution of a lease agreement.

• For remainder of requirements, check the CT Department of Consumer Protection website: www.ct.gov/dcp.

Appraiser

The Appraiser Qualifications Board (AQB) of the Appraisal Foundation has adopted changes to the Real Property Appraiser Qualification Criteria that became effective on January 1, 2008. These changes include increased required education. For a detailed description of these requirements, please refer to the following website: www.ct.gov/dcp – then click "real estate."

Real Estate Principles and Practices

May Qualify for:

• Veterans’ Benefits

Call MCC’s Veterans’ Services at 860-512-3375, or the MCC D.A.S.I.S. at 860-512-3362, for more information on Veterans’ benefits eligibility.
Real Estate Principles and Practices Review Course

Before you sit for the CT Real Estate Salesperson Licensing Exam, refresh the knowledge and skills you learned in the Real Estate Principles and Practices course. We will review the following topics: property ownership; passage of title; financing; closings; agency; and contracts; as well as practice questions and math concepts. The emphasis of the course will be preparing for the State exam. The textbooks that will be used are the same three texts required for Real Estate Principles and Practice (see course description on previous page). This course is approved for 3 Continuing Education hours by the CT Real Estate Commission.

CRN 11171 | Fee: $60
1 Thursday | 5/21
5:30-9:30 PM | SSC Room L240
Instructor: Marc Vallen, J.D.

Grant Writing Workshop

Do you know what grant makers want? This course will cover tips for writing effective grant proposals. Learn how to get started, or if you have started, how to continue and finish. The parts of a generic proposal will be reviewed, including executive summary, statement of need, project description, budget and narrative, organizational information, conclusion, and appendix. In addition, the art of effective cover letter writing and basic research methods will be explored. Cultivation of contacts and meeting funders will also be discussed, as well as dealing with rejection and what to do next. Grant reporting will be looked at briefly, and sample grants will be shared. Students should bring a lunch.

I’m Retiring ... Now What Do I Do with my Money?

If the thought of your upcoming retirement leaves you asking yourself many personal financial questions - this course is designed for you. Our discussion will focus on the following questions: What does a conservative investment portfolio look like? How will Social Security play a part with my retirement plan? What are the distribution rules for my 457 or 401K plan? What are some ways to get the most out of my limited income by becoming a smarter consumer? Where are the best places to retire? These and other retirement specific questions will be addressed. Instructor provides handouts. No prerequisite.

9 AM-4 PM | LRC Room B144 (limited seating)
Instructor: Paul Howard, M.B.A.

Financial Literacy: Knowledge that Pays for Itself

There are a lot of individual choices and scenarios to consider when making decisions about your financial goals or your retirement. Understanding loans, investments and interest rates is essential to success, as well as goal setting. We will answer the question: “How can I make better decisions with my money? Whether you’re just starting your career or nearing retirement, this course can help you to make better spending choices, develop a financial plan, avoid common mistakes, and learn about different investment options for your savings. Specific topics to be covered include understanding stocks, bonds, interest rates, and credit cards, and reflecting on your own “self-control” as it concerns your individual spending habits. We also dive into how to pick a mutual fund, personal taxes and its impact on decisions, and personal insurance products. Instructor provides handouts. No prerequisite.

CRN 11162 | Fee: $270

Instructor: Paul Howard, M.B.A.

Freedom of Information Act: What You Need to Know for Compliance and Protection

Are you aware that nearly every state-generated document, including your e-mail, is potentially viewable by the public? Citizens can request access to state documents via The Freedom of Information Act (FOI), which guarantees the right to see public records and documents. Learn the process for filing under FOI as well as your obligations. Topics will include: the definitions of public records and meetings; how to manage requests for public records; rules governing executive sessions; how much access the public actually has; the status of e-mails and other electronic documents. This class offers a great opportunity to get all your questions answered. Instructor provides handouts. No prerequisite.

PROFESSIONAL DEVELOPMENT

Forensic Accounting Demystified: The CSI of Accounting
Forensic accountants are the financial sleuths who discover issues ranging from poor accounting habits to hidden assets and outright fraud. Learning techniques used in this field has been very helpful to many past attendees. Although not every scandal is as big as those associated with Equifax, Volkswagen, Wells Fargo, and Madoff, more and more organizations have turned to forensic accounting to help them avoid similarly catastrophic fates as well as assist them after being victimized. Local author, educator and forensic accounting expert, Stephen Pedneault, will introduce students to this ever more important field and share some of the methods used to prevent or uncover financial fraud and abuse. Pedneault will draw upon his nearly 30 years of experience, and share accounts of actual cases so students can connect theory to practice. This course is an eye opener and can provide invaluable information for anyone who handles finances. Instructor provides handouts. No prerequisite.

CRN 11151 | Fee: $90
1 Thursday | 4/2
9 AM-4 PM | LRC Room B144 (limited seating)
Instructor: Stephen Pedneault, C.P.A., C.F.E.

Middle Management Skills Certificate
Enhance your management skills and improve your chances for advancement. Having some experience doesn’t mean you are the best that you can be. This program will help you develop skills that will make you an even better manager. Participants will be awarded a certificate for completion of each module: communications; leadership and coaching; motivation and ethics; team-building; and managing a diverse workplace. Instructor provides handouts. No prerequisite.

CRN 10945 | Fee: $399
5 Mondays | 3/16-4/13
9 AM-4 PM | LRC Room B144 (limited seating)
Instructor: Ralph Braithwaite, M.B.A.

Innovative and Successful Supervisor
We will discuss work styles and how to best interact with others in our work environment; explore efficiency in communication and employee motivation; the art of delegation; and the right types of training, coaching, and mentoring. Instructor provides handouts. Prerequisite: Some supervisory experience.

CRN 11110 | Fee: $90
1 Tuesday | 4/21
9 AM-4 PM | LRC Room B144 (limited seating)
Instructor: V. Allison Reed, M.S., C.A.G.S.

Professionalism, Etiquette and Conflict Management
What is professionalism? How do you demonstrate respect for others? How do you earn respect from others? How do you resolve conflicts between you and your co-workers? What role does etiquette play in relationships, workplace conduct, and communication, including e-mail? The answers to all these questions will be covered in this workshop. You will learn about key steps to take and develop skills to be more effective. The program is available to people at all levels in the organization. Instructor provides handouts. No prerequisite.

CRN 10948 | Fee: $90
1 Friday | 4/17
9 AM-4 PM | LRC Room B144 (limited seating)
Instructor: Ralph Braithwaite, M.B.A.

Success Insights® and DISC
There are no assessments that will build a complete picture of a person’s style and approach, but the Success Insights® and DISC provides a great beginning. The Success Insights® assessment is a computer-based tool that takes less than 15 minutes to complete and creates a 24-page narrative report, unique to the individual. The DISC assessment personality test is a four-dimensional model anchored by four emotions: D-Dominance, I-Influence, S-Steadiness, C-Compliance. The assessments have been used by millions of people and tends to be 85-97% accurate. This one-day workshop will provide each participant with a report that is valued at $100, and based on the report and guided classroom discussions, participants will gain insight on how to more effectively communicate and have productive working relationships. This workshop could be indispensable to anyone who has to prioritize and interact with multiple projects and personalities. Instructor provides handouts. No prerequisite.

NEW Improving Negotiation Skills
Developing and implementing effective negotiation strategies and tactics is an increasingly important activity in a wide range of positions and situations in life. This program will provide you with the basic skills to deal with negotiation opportunities both within organizations and in your personal life. During this program, participants will plan and conduct a variety of negotiations that can be experienced in day-to-day situations. You will also receive feedback on your performance. You can use negotiation when buying a car, a house, getting a raise or promotion, going after a new job, and numerous other situations that will be discussed. This program will be useful in helping you avoid a bad deal. Appropriate for both managers and non-managers. Instructor provides handouts. No prerequisite.

CRN 10952 | Fee: $90
1 Wednesday | 5/13
9 AM-4 PM | LRC Room B144 (limited seating)
Instructor: Ralph Braithwaite, M.B.A.

Balancing Time and Priorities: A Continuation!
If you have already been a student in Balancing Time, Priorities and Productivity, but feel like you would like to build on what you’ve learned, then this continuation class is for you. We will review the time management formula, expand on its application, and discuss e-mail and calendar management to enhance productivity. We’ll also look at the results of personalized action plans. Please be prepared to talk about a success story and/or technique that has been working well for you from when you attended Balancing Time, Priorities and Productivity. Please also be prepared to share an idea for what is still challenging to you, and some best practices that you have been implementing. Instructor provides handouts. Prerequisite: Balancing Time, Priorities and Productivity, and at least 6 months of practice with the skills covered in that class.

CRN 11104 | Fee: $90
1 Tuesday | 3/24
9 AM-4 PM | LRC Room B144 (limited seating)
Instructor: V. Allison Reed, M.S., C.A.G.S.
Balancing Time, Priorities and Productivity

In today's 24/7 world, we find ourselves constantly running and trying to accomplish more in less time. This workshop will help you develop skills to increase both personal and workplace time management, efficiency, and productivity. Learn tips to set goals and priorities, manage e-mail overload, minimize stress, and discover strategies to stay focused. Other key topics include: concepts of productivity; how to better manage reactivity and interruptions; time management formula; effective e-mail management; prioritization of tasks; the importance of daily planning; and how to design a personalized action plan for increased efficiency and organization.

Instructor provides handouts. No prerequisite.

CRN 11108 | Fee: $90
1 Tuesday | 4/7
9 AM-4 PM | LRC Room B144 (limited seating)

Business and Systems Analysis Principles and Practices

Business and Systems Analysts are key players in an organization. If you are one of these professionals, or aspire to be one, you will serve as an intermediary between I.T. and other departments. This course focuses on four areas related to analysis: knowledge areas and competencies that an analyst must possess; requirements elicitation, analysis, and design techniques; some areas of specialization, such as selecting and implementing packaged solutions; and two emerging areas, Agile and Digital. This course is appropriate for existing analysts, those performing analysis, those who work with analysts, or those who are considering becoming analysts. The classroom incorporates both lecture and hands-on activities. Instructor provides handouts. No prerequisite.

CRN 11153 | Fee: $210
2 Thursdays | 4/23-4/30
9 AM-4 PM | LRC Room B144 (limited seating)
Instructor: William Marut, M.B.A.

Spanish Essentials for the Workplace

Learn basic phrases for communicating with Spanish speaking employees, clients and co-workers. Practice basic Spanish grammar exercises, role-playing, and reality-based activities. Topics will include Spanish sounds and the alphabet; greetings and farewells; asking for information and other polite requests; numbers, dates, days of the week, and months of the year; time; and useful verbs and key phrases in the present, past, and future tenses. This class will be taught in a state-of-the-art language lab, so that participants can also learn to use computer translators effectively. Participants will also have opportunities to practice with a native speaker during the class. Instructor provides handouts. No prerequisite.

CRN 11113 | Fee: $180
2 Fridays | 5/8-5/15
9 AM-4 PM | LRC Room B210 (limited seating)
Instructor: Linda Burk, Ph.D.

Project Management: All the Essentials

Project management is a widely recognized discipline. It has become a key ingredient to ensuring successful, on-time, and on-budget projects. This course is appropriate if you have led a project or will lead one in the future, and also recommended for those who will be actively participating in a project. You will learn how to determine the scope, characteristics and success of a well-defined project; how to gather and document requirements; leadership essentials; what a work breakdown session is all about; and how to schedule, estimate and handle project closure. Instructor provides handouts. No prerequisite.

CRN 11160 | Fee: $180
2 Fridays | 5/8-5/15
9 AM-4 PM | LRC Room B144 (limited seating)
Instructor: John Lombardo, M.B.A.
MCC Reads

The popularity of book discussion groups at MCC continues with this group that meets in the evening and is designed to complement the More Great Books discussion series that takes place in the afternoon. Sessions will be led by distinguished MCC library and staff members. Books are available at local and online bookstores and at most libraries. In addition, copies will be on reserve in the MCC Library on a first-come, first-served basis. Please note that availability may be limited, depending on the book’s popularity or release date, so we recommend calling the Library (860) 512-2880 to confirm.

CRN 11122 | Fee: $15
4 Tuesdays | 2/18; 3/17; 4/21; 5/19 (3rd Tuesday of the month)
6-7 PM | GPA Room GP139

2/18 - The Handmaid’s Tale by Margaret Atwood

In the world of the near future, who will control women’s bodies? Offred is a Handmaid in the Republic of Gilead. She must pray each month that the Commander makes her pregnant, because in an age of declining births, Offred and the other Handmaids are only valued for their reproductive ability. Offred can remember the days of yore, when she had a real family with her loving husband and daughter, and when she had a job and money of her own. But all of that is gone now...

Instructor: Katherine Noonan

3/17 - The Story Hour by Thrity Umrigar

An experienced psychologist, Maggie carefully maintains emotional distance from her patients. But when she agrees to treat a young Indian woman who tried to kill herself, her professional detachment disintegrates. Cut off from her family in India and trapped in a loveless marriage to a domineering man, Lakshmi is desperately lonely. Determined to empower Lakshmi as a woman who feels valued in her own right, Maggie abandons protocol, and soon doctor and patient become close. However, crossing professional boundaries has its price. As Maggie and Lakshmi’s relationship deepens, long-buried secrets come to light that shake their faith in each other and force them to confront painful choices in their own lives.

Instructor: Katherine Noonan

4/21 - The Women in the Castle by Jessica Shattuck

Amid the ashes of Nazi Germany’s defeat, Marianne von Lingenfels returns to the once-grand castle of her husband’s ancestors. The widow of a resister murdered in the failed July 20, 1944, plot to assassinate Adolf Hitler, Marianne plans to uphold the promise she made to her husband’s brave conspirators: to find and protect their wives, her fellow resistance widows. As Marianne assembles this makeshift family from the ruins of her husband’s resistance movement, she quickly discovers that the black-and-white, highly principled world of her privileged past has become infinitely more complicated and filled with dark secrets that threaten to tear them apart.

Instructor: Patricia Ronalter

5/19 - The Tender Bar: A Memoir by J.R. Moehringer

J.R. Moehringer grew up captivated by a voice—the voice of his father, a New York City disc jockey who vanished before J.R. spoke his first word. Sitting on the stoop, pressing an ear to the radio, J.R. would strain to hear in that plummy baritone the secrets of masculinity and identity. Unable to find “the voice on the radio,” J.R. turns in desperation to the bar on the corner where he finds a rousing chorus of new voices, including J.R.’s Uncle Charlie, a Humphrey Bogart look-alike; Colt, a Yogi Bear sound-alike; and Joey D, a soft-spoken brawler, who all provide a sort of fathering-by-committee. Torn between the stirring example of his mother and the lurid romance of the bar, J.R. tries to forge a self somewhere in the center. J.R.’s story is one of self-invention and escape, of the fierce love between a single mother and an only son, and a moving portrait of one boy’s struggle to become a man.

Instructor: Kristin Lavoie

Write to Publish

You’ve written a novel or nonfiction work (or would like to!), but know little about the next steps to becoming published. This course will cover the critical issue of how to know when your manuscript is ready for submission, as well as the nuts and bolts of various publication options, including traditional publishing, independent publishing, self-publishing, and the hybrid model. You will also learn how to develop an author platform through social media and other means of marketing to grow readership.

CRN 10847 | Fee: $99
4 Mondays | 2/3-3/2 (does not meet 2/17)
7-9 PM | LRC Room B209
Instructor: Heather Webb, M.S.

Writing and Illustrating Children’s Books

This course provides an overview for how to write, illustrate and publish a children’s book. Topics include aesthetic and literary strategies; book design and dummy layout; illustration styles; the critical issue of how to know when your manuscript is ready for submission, as well as the nuts and bolts of various publication options, including traditional publishing, independent publishing, self-publishing, and the hybrid model. You will also learn how to develop an author platform through social media and other means of marketing to grow readership.

CRN 11015 | Fee: $160
5 Thursdays | 5/7-6/4
6-8 PM | GPA Room GP156
Instructor: Iris Van Rynbach, M.F.A.
More Great Books

Come join a community of avid readers in this popular series of book discussions led by distinguished MCC faculty and staff members. Offering a provocative mix of new and classic literature each semester, the course meets at two-week intervals to allow time for reading. Books are available at local and online bookstores and at most libraries. Copies will be also available in the MCC Library on a first-come, first-served basis. Please note that availability may be limited, depending on the book’s popularity or release date, so we recommend calling the Library (860) 512-2880 to confirm.

CRN 10880 | Fee $20
6 Wednesdays | 2/26-5/6 (meets every other week) | 3:30-5 PM | AST Room E202
Instructors: Jana Sime, Math faculty; Kimberly Hamilton-Bobrow, Lois Coleman, Lisa Sandoval, and Heather Styckiewicz, English faculty; Negussie Tifessa, Physics faculty; and Tanya Millner, Interim CEO of MCC.

2/26 – The Girl with Seven Names by Hyeonseo Lee
“The extraordinary insight into life under one of the world’s most ruthless and secretive dictatorships - North Korea. The story of one woman’s terrifying struggle to avoid capture/repatriation and guide her family to freedom.” - New York Times Best Seller
Instructors: Jana Sime and Kim Hamilton-Bobrow

3/11 – Saints for All Occasions by J. Courtney Sullivan
Nora and Theresa Flynn are twenty-one and seventeen when they leave their small village in Ireland to journey to America. Nora is the shy, serious sister who is engaged to a man she isn’t sure she loves, while Theresa is more outgoing and risk-taking. This is a moving novel in which the author explores the fascinating, funny, and sometimes sad ways a secret both breaks and also binds a family together.
Instructor: Heather Styckiewicz

3/25 – Obabakoak: Stories From a Village by Bernardo Axtaga / Translated by Margaret Jull Costa
How does one save the dying language of a politically suppressed culture? Bernardo Axtaga’s answer is to author a novel in that language (and maybe to resort to plagiarism). Obabakoak, winner of Spain’s National Prize for Literature, is a collection of intertwining short stories from a Basque village, written in what Axtaga calls “the language of a tiny nation, so small you cannot even find it on the map,” and then translated by the author into Castilian Spanish, so that that culture can reach beyond its borders.
Instructor: Lisa Sandoval

4/8 – The Stranger in the Woods: The Extraordinary Story of the Last True Hermit by Michael Finkel
This is a story of Christopher Knight, who left his home in Massachusetts in 1986 at the age of 20, drove to Maine, and disappeared into the woods for the next 27 years.
Instructor: Negussie Tifessa

4/22 – Mercer Girls by Libbie Hawker
Mercer Girls relates the story of three young women who, just as the Civil War ends, set out from a bleak and economically ravaged Lowell, Massachusetts for Seattle, “mail-order brides, yes, but of a certain caliber." The historical and literary novel employs the lens of three strong, courageous, and resilient women who “see their chance to exchange their bleak prospects for new lives.”
Instructor: Lois Coleman

5/6 – Blood & Water by Katie O’Rourke
“Tucson, Arizona is a place for runaways. Everyone came from somewhere else and has a story about what they left behind. Delilah arrives on her brother’s doorstep with a secret. She hasn’t seen him in five years. He ran away from their family long ago for reasons no one talks about and she still doesn’t understand. The stress of raising his teenage daughter alone sometimes makes David envious of his deliberately childless friends, Tim and Sara, but they’re runaways too, harboring secrets of their own. Blood & Water tells their stories and traces the deep connections between this unlikely group of friends. This novel is about family, in its various manifestations: the one you’re born into, the one you choose and the one you create.”
Instructor: Tanya Millner
NASREEN AL OMARI has a master's of education degree from Western Governor's University and is a Ph.D. candidate at Northcentral University. She is also an ESL tutor for MCC's ESL Department.

STEPHEN ARMSTRONG has a master's degree in history from the University of Connecticut. He was the social studies department supervisor for the West Hartford Public Schools and is an adjunct professor at Central CT State University. He has also presented workshops at the Rock 'n' Roll Hall of Fame in Cleveland. His ongoing series of contemporary music appreciation and documentaries at MCC have become popular.

ATSUKO BALON, a native speaker of Japanese, has been teaching Japan's language and culture at MCC for many years, and travels often to Japan.

JILL BETTS has an M.B.A. from Western New England University and B.S. from the University of the Arts, is an industrial designer with Accent On Homes in South Windsor, serving as a decor and remodeling contractor for residential and commercial spaces. www.accent-on-homes.com

STEVEN BLOOM, M.Ed., teaches AutoCAD and Microsoft Office products. He has developed and presented educational material for several Fortune 500 companies. Currently he is an adjunct lecturer with MCC.

RALPH BRAITHWAITE has an M.B.A. with a concentration in Organizational Behavior and more than 20 years' experience in training, human resources, and teaching.

REBECCA BROWN has worked at the Zuppell Ristorante in Orvieto, Italy; Burton's Grill in South Windsor; and Six Main Restaurant in Chester. She has used her wealth of experience to develop gluten-free and dairy-free recipes for her favorite foods. Her new cookbook is Eat Well to Live Well and is available at www.amazon.com.

LINDA BURK, Ph.D., professor of romance languages at MCC, has a master's in Spanish language and literature and a doctorate in Latin American literature.

BEVERLY BURTON is the owner and director of Burton Dance Studio in Manchester. She has also been an educator for many of the major dance organizations over the past 40 years.

RICHARDO CANAL earned a B.A. in English at the University of Hartford, with a concentration in writing, and an M.S. in TESOL (Teaching English to Speakers of Other Languages), with a concentration in linguistics, at Central Connecticut State University. During the academic year, he teaches ESL credit courses at MCC.

MARY CARCHRIE earned her M.A. in Early Irish History from University College in Dublin and her secondary teaching certificate at the University of Massachusetts, and has also studied Gaelic and Gaelic song in the Hebrides Island, Cape Breton, and Nova Scotia.

YUEMII ZHANG, M.A., is a graduate of the Central Academy of Fine Arts in Beijing. Her art has won many awards in both painting and printmaking, and she is an experienced teacher in her native China and the United States.
CREDIT-FREE REGISTRATION INFORMATION

Refund Policy for Credit-Free Courses
There is a minimum enrollment for all Credit-Free courses. Classes with insufficient enrollment will be cancelled. If a course is full or cancelled, you will be notified by phone, mail or email before the start date. If the College cancels a Credit-Free course, students will receive a full refund.*

In order to drop a Credit-Free course and receive a refund*, you must submit a written request to the Registrar's Office no later than one (1) business day prior to the first scheduled class meeting. It is your responsibility to call the Registrar's Office to verify that your request for a refund was received. If you fail to call, and we have no record of your request, you are ineligible for a refund. Refund checks are issued by the State Comptrollers' Office and take approximately four to six weeks to process. Requests for refunds may be made:

In person: Registrar's Office, SSC Lobby
By fax: 860-512-3221
Or mail: Registrar's Office, MS #13, MCC, P. O. Box 1046, Manchester, CT 06045-1046

No refunds will be issued after the allowable drop period. **

* If you paid by credit card, then this account will be credited, unless you otherwise notify the Bursar's Office.
** Refund Appeals are only considered for extraordinary circumstances.

Special Note to Students: Full payment is due upon registration. If you register and do not pay, you will be billed for the course(s). If you wish to drop a course, you must do so no later than one (1) business day prior to the first scheduled class meeting, or you will be billed for the course.

Please note: The Motorcycle Safe Riding Program has a different Refund and Appeal policy.

Withdrawal Policy

Online/Flexible Registration
Students may register online using a MasterCard, Visa, Discover Card, or American Express.

- Returning Students
If you are a returning student and know your NetID/Banner ID, follow the Online/Flexible Registration instructions below.

If you are a returning student and do not know your NetID/Banner ID, please call 860-512-3220 or email ma-flexreg@manchestercc.edu to request that your NetID/Banner ID be sent to you.
See NetID Information below.

- New Students
If you are a new student (have never taken a class within the Connecticut Community College system), follow the Online/Flexible Registration steps below.
A User Name (NetID) login will be created at checkout.

- Online/Flexible Registration
1. Go to www.manchestercc.edu/ce
2. Click Credit-Free Registration Page (at bottom of webpage)
3. Go to Online/Flexible Registration, and follow instructions

- NetID Information
- Your NetID is your Banner ID with the "@" symbol in a different position (i.e. a student with a Banner ID of @87654321, will have the following NetID: 87654321@student.commnet.edu)
- Your initial Password is made up of the following personal information:
  1. The first three characters of your birth month (with first letter capitalized)
  2. The "&" symbol
  3. The last four digits of your Social Security Number (Example: For a user whose birthday is in October and whose social security number ends in 6789, the initial password would be Oct&6789)
- You will be prompted to change your password during your first login

Fees (total enclosed) ________________________________

**REFUNDS**
Refunds are issued only for Credit-Free courses that MCC cancels, or if a written request is received on the last business day before the first class meeting or prior. See details on page 44.
Register Early
Enrollment in classes is limited and will be accepted on a first-come, first-serve basis. Classes may fill quickly; early registration ensures you a seat and also decreases the likelihood that a course will be cancelled.

Confirmations
No written confirmations are mailed. Registrants will be contacted by MCC only if a course cancels or if classrooms, meeting times, or dates change.

Course Locations
Courses are held in classrooms at MCC, unless otherwise indicated in the course descriptions.

Free Parking
Parking is free at MCC. You may park without a permit in East and West Lots. A permit is required to park in staff or handicapped spaces. For convenient access to the new Great Path Academy (GPA), please use East Lot.

MCC Bookstore
Please call for hours: 860-645-3140
www.efollett.com

Postponements & Make-Ups
Classes postponed by instructor’s request, emergencies, or extreme weather conditions will be made up whenever possible. Please call the College’s main line, 860-512-3000, or visit the College web page: www.manchestercc.edu for cancellations due to weather conditions.
You may not makeup absences by attending classes other than your own.

Cancellations
MCC reserves the right to cancel or postpone classes, or substitute instructors as needed due to unforeseen circumstances. If MCC cancels a course, registrants may transfer their fees to another course for the same semester or receive a full refund. If a course is cancelled, registrants will be notified by phone or mail.

Class Supply List
If the class for which you are registering requires supplies (see course description), your supply list will be mailed to you prior to class start. If you have not received your list one week before the scheduled class start, call Continuing Education at 860-512-2800, or stop by the office in the Learning Resource Center (LRC), Room B147.

MCC CAMPUS MAP
MCC maps & directions link: http://www.manchestercc.edu/maps

All buildings have ramps to provide easy access for people with disabilities. There are also designated parking spaces for people with disabilities.
