HATE CRIME

Manchester Community College is also required to report statistics for hate (bias) related crimes by the type of bias as defined for the following classifications: murder/non-negligent manslaughter, negligent manslaughter, sex offenses (forcible and non-forcible), robbery, aggravated assault, burglary, motor vehicle theft, arson (see definitions above) and larceny, vandalism, intimidation, and simple assault (see definitions on right).

DEFINITIONS

Larceny: The unlawful taking, carrying, leading or riding away of property from the possession or constructive possession of another.

Vandalism: To willfully or maliciously destroy, injure, disfigure or deface any public or private property, real or personal, without the consent of the owner or person having custody or control by cutting, tear-

ing, breaking, marking, painting, drawing, covering with filth or any other such means as may be specified by local law.

Simple Assault: An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

REQUIRED IF A HATE CRIME OCCURS

If a hate crime occurs where there is an incident involving intimidation, vandalism, larceny, simple assault or other bodily injury, the law requires that the statistic be reported as a hate crime even though there is no requirement to report the crime classification in any other area of the compliance document.

A hate or bias-related crime is not a separate, distinct crime, but is the commission of a criminal offense that was motivated by the offender's bias. For example, a subject assaults a victim, which is a crime. If the facts of the case indicate that the offender was motivated to commit the offense because of his bias against the victim's race, sexual orientation, etc., the assault is then also classified as a hate/bias crime.

If a hate or bias-related crime was reported to you, please fill out the "Reporting a Crime" section on page 1 and then indicate below the type of bias involved in the crime.
