Starting on Wednesday, December 16th, 2014, Great Path Academy will start our very own can drive to give back to the community for the holidays. The can drive will end the 23rd of December, 2014.

The way the can drive will be organized is it will be separated for each class; Freshman, Sophomore, Junior, and Senior. Whichever class donates the most food will win some sort of reward, a dress down day or a movie period in Advisory (whichever is approved by you). Each grade will give the donated food to a different cause, so we can give back to many organizations in both Hartford and Manchester.

Freshman- Manchester Area Conference of Churches- 460 Main Street, Manchester, CT 860-647-8003
Sophomore- Faith Baptist Church Food Pantry- 52 Lake Street. Manchester, CT 860-951-6758
Junior- Jackson Memorial Church Food Pantry- 2338 Main Street, Hartford, CT 860-728-1080
Senior- Mount Olive Church Ministries Emergency Food Pantry- 20 Battles Street, Hartford, CT 860-549-3935

The rules of bringing food for the can drive would be that the food cannot be expired, there are no dents in the can, the food must be completely sealed, and anything else that would make the food not safe to eat is unacceptable.

It would be such a great deed for the school to give back to our community for the holidays and would be a great way to spread both a good name for our school and cougar pride. These actions of giving back to the community has only begun.
