*The chart is just a guide for using Connecticut Community College courses to complete University and Major Requirements for SCSU. There may be specific courses required to meet university requirements for a number of majors at SCSU. Use the SCSU catalog/web site to obtain this information. To see how MCC courses transfer to Southern, visit their transfer equivalency website at, [www.southernct.edu/bannerweb/transfer.php3](http://www.southernct.edu/bannerweb/transfer.php3)*

*When checking equivalencies, be certain to select the "term" you took the course at your institution, not the term you are entering Southern. You are also encouraged to work with a Counselor if you have questions regarding the choice of appropriate transfer courses.*
