## MEDICAL EMERGENCY

### **If you discover someone who is sick or injured:**

- ◆ Make sure the scene is safe before you approach.
- ◆ Ask the victim "Are you okay?" and "What is wrong?"
- ◆ Call MCC Police at ext. **23111** or direct someone to do so.
- ◆ If the person is unconscious, check breathing and pulse. Give CPR if necessary and you are trained to do so.
- ◆ Do not move the victim unless there is a danger of further harm.
- ◆ Control serious bleeding by direct pressure on the wound.
- ◆ Do not give any foods or liquids to the victim. Wait for emergency personnel.
- ◆ Continue to assist the victim until emergency response personnel arrive.

### **If you are exposed to blood or body fluids:**

- ◆ Skin exposure: Gently wash the contact area with soap and water.
- ◆ Eye exposure: Flush the eyes with water for 15 minutes.
- ◆ Report the incident to the MCC Police at ext. **23111**.
- ◆ Note: An exposure is defined as direct contact between eye, mouth, mucous membrane, skin cut or abrasion with blood or any other potentially infectious material.

## Personal Safety and Crime Prevention Tips

- ◆ Be aware of your surroundings. Pay attention to what you're doing, where you are, and who's around you
- ◆ Don't leave valuables unattended. Don't leave your purse, wallet or textbooks on a table and walk away. It only takes a second for someone to grab them.
- ◆ Keep your car locked at all times. Keep any valuables (purse, phone, electronics, textbooks) out of sight. Lock them in the trunk of your vehicle.
- ◆ If your vehicle breaks down on the road, stay with it. Make certain that your doors are locked and your flashers are on. If a passerby offers to help, do not get out of the vehicle and do not accept a ride. Just open your window a crack and ask the person to contact the police.
- ◆ If you are alone and feel uncomfortable walking to your car, contact the MCC Police (SSC L170) at ext. **23680**. An escort will be provided to you.
- ◆ If you feel that you're being followed, or you sense something wrong, take action. Head for a well-lit area where there are other people or go to an emergency phone where you will be in direct contact with the police. (Blue pole emergency phones are located throughout the campus.) Do not isolate yourself or try to hide. Contact the police.

## Report It

Report any suspicious activities, persons or vehicles on campus to the MCC Police immediately. Crime prevention is a community effort and the police would always prefer to check on something that turned out to be nothing rather than not learning about something that turned out to be serious. If in doubt, call MCC Police at **860-512-23680**.

## Evacuation

### When an alarm or warning is sounded:

- ◆ Do not question whether an alarm or warning is false; simply evacuate.
- ◆ Leave the building in a calm and orderly manner by the nearest exit and alert others to do the same.
- ◆ Take only those belongings you can gather immediately (e.g. purses, keys) and dress appropriately for the weather.
- ◆ Do not use the phone system—except to sound the alarm or report the location of casualties or people with disabilities who may need assistance.
- ◆ Assist others who may need help in evacuating.
- ◆ Do not use the elevator.
- ◆ Do not assume that because the audible alarm has been silenced, it means you can return to an evacuated building.
- ◆ Do not enter or return to an evacuated building until told to do so by public safety officials.

### In the event of an evacuation:

- ◆ Faculty are responsible for dismissing their own classes and for directing students to follow evacuation procedures and leave the building by the safest and quickest evacuation route and building exit.
- ◆ Administrators are responsible for searching their own offices or departments spaces and for directing employees and visitors to follow evacuation procedures and to leave the building by the safest and quickest evacuation route and building exit.
- ◆ Staff are responsible for evacuating the building themselves and for directing students and visitors to follow evacuation procedures and to leave the building by the safest and quickest evacuation route and building exit.

### If you have physical disabilities or mobility problems:

- ◆ If you have a temporary or permanent physical disability that prevents your prompt and safe evacuation from a building, you need to do some additional planning to ensure your safety during an evacuation.
- ◆ Establish a buddy system with individuals who can assist you during an evacuation.
- ◆ Train your buddies on the best way they can assist you during an evacuation.
- ◆ Be prepared to call MCC Police and describe your location within the building.
- ◆ When an alarm sounds, proceed to the nearest exit and evacuate the building with assistance from your buddy.
- ◆ Remember that on the second floors, you can use the bridges between buildings for evacuation.
- ◆ If no one is able to assist you down stairs, proceed to the stairwell or designated area of refuge and inform other evacuees that you will need rescue. Ask individuals to inform rescuers of your whereabouts.

## **Faculty and Staff Emergency Procedures and Campus Safety Guidelines**

### **TO REPORT A POLICE, FIRE, OR MEDICAL EMERGENCY, CALL MCC POLICE**

**From Campus Phone: x23111**  
**From Cell Phone: 860-512-3111**  
**Blue Pole Emergency Phone: Push the Call Button**

### **When you call the Emergency Phone**

The MCC Police dispatcher will ask you a number of questions (e.g. your name, your location, who's involved, what's happening). You will also be asked to remain on the line, if that's possible under the circumstances. While it sometimes appears that these questions "take too much time" and are slowing down the emergency response, the questions and answers are very important for the dispatcher to send the appropriate personnel and resources to respond to your emergency.

### **TO REPORT TO TOWN OF MANCHESTER 911 DISPATCH CENTER**

**From Campus Phone: 911**  
**From Cell Phone: 911**

### **Fire Emergency**

#### **If you discover a fire or see smoke:**

- ◆ Immediately locate and activate the nearest fire alarm pull station.
- ◆ Extinguish the fire only if it is small and contained, you are trained in the proper use of a fire extinguisher and you can do so safely.
- ◆ Evacuate the area and instruct others to leave as well.
- ◆ If circumstances permit, confine the fire by closing all doors and windows as you leave the area.
- ◆ Once you have left the area, call MCC Police (by campus phone: x23111; by cell phone: 860-512-3111; or by campus emergency blue pole phone) to report the location, nature and cause of the fire (if known).
