## REQUIRED

### These conditions apply to your winter grant:

- You must register for all winter and spring classes at the same time. (You can still add/switch classes for spring.)
- The Winter Interession is considered part of the Spring aid period; all winter book purchases will be charged against your spring award—use your funds wisely or you may run out of book funds for the spring.
- If you withdraw from any winter class, your grant will be cancelled. You will then be billed for all charges.
- If you withdraw from your winter course, you MUST provide written notification of your intent to continue with the spring term courses, otherwise you are considered to have withdrawn from the college altogether and a balance will be owed for the winter course.
- Any balance not covered by aid must be paid in full at the time of registration.
- If your grades after the previous fall semester indicate that you are not in good academic standing, your winter grant will be cancelled, and you will be responsible for any outstanding expenses.
- If we have to cancel your grant for any reason, you will be responsible for any tuition and fees due.
- Fees are non-refundable; if you register for a class and drop it prior to the first day of the winter semester, you will be responsible for paying the fees for the dropped class.
- You will be notified through your student email account when the winter aid award decision has been made; you may then view the award info on your student account. We do not mail responses.

I understand all of the above conditions:
