

Author To Speak On Murder

MANCHESTER — Walter Scadden will present “The Lore, Legend, and Facts of the Cheney Brothers silk robbery and the murder of William Madden on Jan. 29, 1919.” Mr. Scadden, who “grew up in the shadows of the mills” and whose grandfather was a friend of the brother of the murdered guard, has re-searched the event for several years and has written a book separating myth from fact.

This free program will be presented on Friday, Feb. 21 at Manchester Community College, SBM Auditorium at 1:30 p.m. The public is invited to this free program. Plenty of parking in the West Lot.
