## Manchester Community College And Rockville Bank Foundations Make History

### Regional

Submitted by *Laura Soll, Rockville Bank Foundation*, on 2012-05-11.

More than 650 supporters of Manchester Community College (MCC), including staff, faculty, students and volunteers, celebrated the MCC Foundation's "An Evening of Fine Wines." The event, now in its 20th year, set a fundraising record, grossing more than \$258,000, which will be used to provide scholarships for students pursuing their educational goals.

During the evening, Dr. Gena Glickman, president of Manchester Community College, and Honorary Event Chairman William (Bill) H. W. Crawford, IV, president and CEO of Rockville Bank, expressed sincere thanks to everyone who contributed to the event's success. This included individuals and businesses who served as sponsors or donated auction prizes, as well as all of the attendees who contributed funds that night to support the MCC Foundation.

Malloy; Dr. Gena Glickman, President of Manchester Community College; Endia DeCordova, Acting Associate Dean of Institutional Advancement and Community Engagement and Outreach for the MCC Foundation; and Ann Murphy.

"With the event celebrating its 20th year, we knew we were going to have to ramp up our fundraising efforts and the support we received from Rockville Bank, their employees, partners and community supporters was unprecedented - the success of the auction could not have been achieved without them," said Glickman.

The MCC Foundation helps Manchester Community College enhance the quality of existing programs and fund the development of new programs, raise funds from private sources to support scholarships and college programs, fund the acquisition of equipment that enhances college programs, build a network of community support in the region served by MCC, and promote better public understanding of the college and encourage increased public involvement in its educational, cultural and community activities. For more information about the MCC Foundation, call Endia DeCordova at 860-512-2902 or visit [www.mcc.comnet.edu/foundation](http://www.mcc.comnet.edu/foundation).
